Solder Board-Component View 4	 A photograph showing a small, circular electronic component with a gold-colored surface and several solder points. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component has some text printed on it: "Y2 2024-01-17", "2023.5.26", and "S013 V1.2".
Antenna View	 A photograph showing the internal components of a device, specifically the antenna area. The device is a black, oval-shaped case with a green circuit board visible inside. Three circular antenna components are highlighted with red boxes and labeled: "Wireless charger 10W" (top left), "Wireless charger 5W" (top right), and "Wireless charger 3W" (bottom right). The components are connected to the circuit board by thin wires.
