

CAUTION
HOT

The image shows a silver-colored metal component, likely a power MOSFET or IGBT, mounted on a dark, textured surface. The component features a large, multi-fingered heat sink on its left side. A white rectangular label with rounded corners is affixed to the right side of the component, displaying a warning symbol (an exclamation mark inside a triangle) and the text "CAUTION HOT". The component has several mounting points and a central pin or connector at the top.
