

Declaration on model difference

We The main model and subsequent models tested in this test differ only in naming and color. All other aspects, including materials, other manufacturing processes, circuit design, and manufacturers, are exactly the same. We finally decided on the CFS as the test model.

FCCID: 2AXH6-CFSEVO

Production name	Trade name	Model no.
Filament Management System	N/A	CFS, CFS Evo,CFS Neo

Signature: Lucy Li Date: 2026/06/09

Name: Lucy Li

Title: Safety enginner

Company: Shenzhen Creality 3D Technology Co., Ltd.
