

A black electronic device, possibly a remote control or a small handheld device, is shown from a side-on perspective. It has a textured black plastic body. On the top edge, there are several small, silver-colored buttons or sensors. A red rectangular label is affixed to the side of the device. A red arrow points from the bottom left towards the label. The device is resting on a light-colored wooden surface.

FCC ID: 2AXIY1507-12346-20

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
