LET'S CONNECT

First Time Pairing

Power on. Press and Hold the Multifunction Button for 3 seconds **4** to turn on.

A voice prompt 'Power on, pairing' confirms the headphones are on and in pairing mode.

The LED Indicator Light **7** will flash RED and BLUE ready to pair with your audio device.

Go to the Bluetooth settings on your audio device to select 'Mixx StreamQ D3' from the list.

Once paired successfully you will hear 'Connected' and the LED Indicator Light **7** will switch off.

You can now enjoy your music, watch a video or take a call handsfree.

The headphones will automatically reconnect to the last device they were paired with, confirming 'Connected'.

If there is no Bluetooth connection after 5 minutes, the LED Indicator Light **7** will stop flashing and the headphones will automatically turn off by confirming with 'Power off'.

LET'S GO WIRED

The MIXX StreamQ D3 headphones are suitable for devices with a 3.5mm audio socket.

The 3.5mm audio cable **13** provides the flexibility to convert these wireless headphones to wired use which allows for listening without a Bluetooth connection.

Insert the 3.5mm audio cable into the 3.5mm Audio Port **8** of your headphones and the other end into your device's 3.5mm socket to start listening to your music, movie or podcast.

LET'S STAY CHARGED

A voice prompt 'Battery low' allows for 2 minutes play time before the headphones power down stating 'Battery low, power off'.

The LED Indicator Light **7** will flash RED once and will then switch off.

Connect the headphones to a suitable USB wall charger, computer USB port or a power bank using the USB-C Charging Cable **14** supplied and connect it to the headphones USB-C Charging Port **9**.

While charging, the LED Indicator Light **7** will glow RED.

Once the headphones are fully charged, the LED Indicator Light **7** will turn off. Charging can take up to 2 hours.

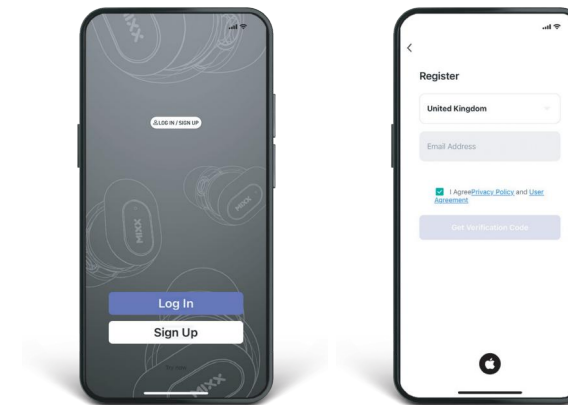

LET'S INSTALL THE APP

Scan the QR code here to download the free MIXX Control app

Follow the on-screen instructions to create an account

Follow the on-screen instructions to connect your headphones

HOW TO CUSTOMISE YOUR SOUND USING THE APP

Scan the QR code here to view our online tutorials (<https://bit.ly/MixxControlApp>), for instructions on how to customise your sound settings.

LET'S PLAY

First Time Pairing

Press and hold the Multifunction Button **4** to power your headphones on.

Go to the Bluetooth settings on your audio device to select 'Mixx StreamQ D3' from the list.

Once paired with your device, you will hear 'Connected'.

Play / Pause

You can also short press the Multifunction Button **4**.

Wear Detection

When you remove your Mixx StreamQ D3, they will automatically pause any currently playing media and automatically resume playing when you put them back on.

Volume Up / Down

Short press the Volume Up / Down Buttons **5** / **6** to adjust the volume.

Skip / Previous Track

Press and hold the Volume Up / Down Buttons **5** / **6** to skip forward to the next track / skip backward to the previous track.

Answer / End a Call

Short press the Multifunction Button **4** when you are on a call or have a call incoming.

(Audio is picked up via the microphones **10**.)

Power On / Off

Press and hold the Multifunction Button **4** on / off. You will hear 'Power on / off'.

LET’S USE ANC / TRANSPARENT MODE

How does ANC work?
The innovative technology inside these noise cancelling wireless headphones monitors the surrounding background noise, and generates an inverted sound wave to cancel out the surrounding noise. This creates a much quieter environment for the user.

How does Transparent Mode work?
Transparent mode effectively does the opposite of ANC – the wireless headphones amplify the surrounding sound allowing you to stay aware of your environment despite your ears being effectively blocked by the headphones.

TRAVEL FRIENDLY

For ease of storage while travelling, fold the MIXX StreamQ D3 ear pads in towards the headband 3 then pop them in the case or, place the headband around your neck and rotate the earpads to rest comfortably on your shoulders.

The headband is adjustable and can be extended 2. It also has soft cushioning 1 for extra comfort on the top of your head.

LET’S BE SAFE

IT IS IMPORTANT THAT YOU PLEASE READ THIS SECTION COMPLETELY.

Check with your doctor before use if you are fitted with a medical device such as a pacemaker or a programmable shunt.
Ensure the product is correctly connected using the manufacturer’s original accessories included with the product.
Do NOT make unauthorized alterations to this product.
Product may contain small parts which can be a choking hazard. Please keep the product out of reach from children under 6 and animals.
Whilst this product has been made using hypo-allergenic materials, you may suffer some skin irritation after prolonged use.

LISTEN RESPONSIBLY!
Do NOT listen to loud music for a long duration of time. We recommend turning the volume down before placing the device in your ears to avoid hearing damage.

After placing headphones in/on your ears, gradually turn up the volume until you reach a comfortable listening level. Noise levels are measured in decibels (dB), exposure to any noise at or above 85 dB can cause gradual hearing loss. Monitor your use; hearing loss is a function of loudness versus time. The louder it is, the less time you can be exposed to it. The softer it is, the more time you can listen to it.
Do NOT use the product while operating machinery, including cars, trucks or other vehicles.

Do NOT use noise cancelling mode or use your device in areas where the use of hearing is required for safety. e.g., while riding a bicycle, at a construction site or railroad etc.
Clean only with a dry cloth - Wipe off sweat from the headphones and the charging case before charging.

IMPORTANT!
Do NOT use a non-certified PD or QC3 wall charger as this may damage the product. Only use the cable supplied to charge your device.
If your product has become damaged in any way, does not operate normally or has been dropped, please refer to a qualified person to have the product checked before continuing to use it.

WARNING!
This product contains a Lithium battery. Incorrect disposal of this battery may result in an explosion.
The operating temperature range for this product is 5° - 40° celsius.
Please avoid exposing the product, charging case and cable connectors to prolonged rain, moisture, or liquid spills/splashing.
Do not crush or puncture the product as this may result in fire or explosion.
Please remove your device from your ears immediately if they emit any loud unusual noise or you experience a warming sensation.
Do not adjust the headband whilst wearing as hair may be caught when doing so.
This product contains silicone – if you have a silicone allergy, do not use this product.
If you experience any of the issues listed above, please turn off your device and contact MIXX Ltd on support@mixx-io.com

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

KOMUNIKACJA BLUETOOTH

[EN] Bluetooth wireless technology operates within a range of about 10 m (30 feet). The maximum communication distance may vary depending on the presence of obstacles (people, metal objects, walls, etc.) or the electromagnetic environment. Turn off the headset and other Bluetooth devices in the following locations, as it may cause an accident: Hospitals - near priority seating in trains, locations where inflammable gas is present, near automatic doors, or near fire alarms.
Airplane - Follow the instructions of cabin attendants or ask the airline you fly with about conditions for using the headset.
MIXX shall take no responsibility for any damages or loss resulting from information leaks that occur when using Bluetooth communications.
Bluetooth connections with all Bluetooth devices cannot be guaranteed.
Bluetooth devices connected with the headset must comply with the Bluetooth standard prescribed by Bluetooth SIG, Inc.

[FR] La technologie sans fil Bluetooth fonctionne sur une portée d'environ 10 m (30 pieds). La distance de communication maximale peut varier en fonction de la présence d'obstacles (personnes, objets métalliques, murs, etc.) ou de l'environnement électromagnétique. Éteignez le casque d'écoute et les autres appareils Bluetooth aux endroits suivants, car cela peut provoquer un accident :
Hôpitaux - près des sièges prioritaires dans les trains, près des endroits où du gaz inflammable est présent, près des portes automatiques ou près des alarmes d'incendie.
Avion - Suivez les instructions des agents de bord ou demandez à la compagnie aérienne avec laquelle vous voyagez les conditions d'utilisation du casque d'écoute.
MIXX décline toute responsabilité pour tout dommage ou perte résultant de fuites d'informations survenant lors de l'utilisation des communications Bluetooth. Les connexions Bluetooth avec tous les appareils Bluetooth ne peuvent pas être garanties. Les appareils Bluetooth connectés au casque d'écoute doivent être conformes à la norme Bluetooth prescrite par Bluetooth SIG, Inc.

[DE] Die drahtlose Bluetooth-Technologie funktioniert innerhalb einer Reichweite von etwa 10 m (30 Fuß). Die maximale Kommunikationsentfernung kann je nach Vorhandensein von Hindernissen (Menschen, Metallgegenstände, Wände usw.) oder der elektromagnetischen Umgebung variieren. Schalten Sie das Headset und andere Bluetooth-Geräte an den folgenden Orten aus, da dies zu Unfällen führen kann:
Krankenhäuser – in der Nähe von vorrangigen Sitzplätzen in Zügen, an Orten, an denen brennbare Gase vorhanden sind, in der Nähe von automatischen Türen oder in der Nähe von Feualarmen.
Flugzeug – Befolgen Sie die Anweisungen der Flugbegleiter oder erkundigen Sie sich bei der Fluggesellschaft, mit der Sie fliegen, nach den Bedingungen für die Verwendung des Headsets.
MIXX übernimmt keine Verantwortung für Schäden oder Verluste, die durch Informationsverluste bei der Verwendung von Bluetooth-Kommunikation entstehen. Bluetooth-Verbindungen mit allen Bluetooth-Geräten können nicht garantiert werden. Bluetooth-Geräte, die mit dem Headset verbunden sind, müssen dem Bluetooth-Standard entsprechen, der von Bluetooth SIG, Inc.

[NL] Bluetooth draadloze technologie werkt binnen een bereik van ongeveer 10 m (30 voet). De maximale communicatieafstand kan variëren afhankelijk van de aanwezigheid van obstakels (mensen, metalen voorwerpen, muren, enz.) of de elektromagnetische omgeving. Schakel de headset en andere Bluetooth-apparaten op de volgende locaties uit, omdat dit een ongeluk kan veroorzaken:

Ziekenhuizen - in de buurt van prioritaire zitplaatsen in treinen, locaties waar ontvlambaar gas aanwezig is, in de buurt van automatische deuren of in de buurt van brandalarmen.
Vliegtuig - Volg de instructies van cabinepersoneel of vraag de luchtvaartmaatschappij waarmee u vliegt naar de voorwaarden voor het gebruik van de headset.
Mixx is niet verantwoordelijk voor schade of verlies als gevolg van informatielekken die optreden bij het gebruik van Bluetooth-communicatie. Bluetooth-verbindingen met alle Bluetooth-apparaten kunnen niet worden gegarandeerd. Bluetooth-apparaten die zijn verbonden met de headset moeten voldoen aan de Bluetooth-standaard die is voorgeschreven door Bluetooth SIG, Inc.

[ES] La tecnología inalámbrica Bluetooth funciona en un radio de unos 10 m (30 pies). La distancia máxima de comunicación puede variar si hay obstáculos (personas, objetos metálicos, paredes, etc.) o el entorno es electromagnético. Apague los auriculares y otros dispositivos Bluetooth en las siguientes ubicaciones, ya que podrían producir un accidente:
Hospitales: cerca de los asientos prioritarios de los trenes, lugares donde haya gases inflamables, cerca de las puertas automáticas o cerca de las alarmas de incendio.
Aviones: siga las instrucciones de la tripulación de cabina o consulte a la aerolínea con la que vuele las condiciones para usar los auriculares.
MIXX no asumirá ninguna responsabilidad por los daños o las pérdidas derivados de las filtraciones de información que se produzcan al utilizar comunicaciones Bluetooth. No se puede garantizar la conexión Bluetooth con todos los dispositivos Bluetooth. Los dispositivos Bluetooth conectados a los auriculares deben cumplir el estándar Bluetooth prescrito por Bluetooth SIG, Inc.

[IT] La tecnologia wireless Bluetooth opera entro un raggio di circa 10 m (30 piedi). La distanza massima di comunicazione può variare in funzione della presenza di ostacoli (persone, oggetti metallici, muri, ecc.) o dell'ambiente elettromagnetico. Spegnere l'auricolare e gli altri dispositivi Bluetooth nelle seguenti posizioni, in quanto potrebbe causare un incidente:
Ospedali: in prossimità di posti a sedere prioritari nei treni, in luoghi in cui è presente gas infiammabile, in prossimità di porte automatiche o in prossimità di allarmi antincendio.
Aereo: segui le istruzioni degli assistenti di cabina o chiedi alla compagnia aerea con cui voli le condizioni per l'utilizzo dell'auricolare.
MIXX non si assume alcuna responsabilità per eventuali danni o perdite derivanti da perdite di informazioni che si verificano durante l'utilizzo delle comunicazioni Bluetooth. Non è possibile garantire le connessioni Bluetooth con tutti i dispositivi Bluetooth. I dispositivi Bluetooth collegati all'auricolare devono essere conformi allo standard Bluetooth prescritto da Bluetooth SIG, Inc.

[PT] A tecnologia sem fios Bluetooth opera dentro de um alcance de cerca de 10 m (30 pés). A distância máxima de comunicação pode variar dependendo da presença de obstáculos (pessoas, objetos metálicos, paredes, etc.) ou do ambiente eletromagnético. Desligue os auscultadores e outros dispositivos Bluetooth nos seguintes locais, pois pode causar um acidente:
em hospitais, perto de lugares prioritários em comboios, locais onde esteja presente gás inflamável, perto de portas automáticas ou perto de alarmes de incêndio.
em aviões - siga as instruções dos assistentes de cabina ou pergunte à companhia aérea com quem voa sobre as condições de utilização dos auscultadores.
A MIXX não se responsabiliza por quaisquer danos ou perdas resultantes de fugas de informações que ocorram ao usar comunicações Bluetooth. As ligações Bluetooth com todos os dispositivos Bluetooth não podem ser garantidas. Os dispositivos Bluetooth ligados aos auscultadores devem estar em conformidade com o padrão Bluetooth prescrito pela Bluetooth SIG, Inc.

[DA] Trådløs Bluetooth-teknologi fungerer inden for en rækkevidde på ca. 10 m (30 fod). Den maksimale kommunikationsafstand kan variere afhængigt af tilstedeværelsen af forhindringer (personer, metalgenstande, vægge osv.) eller det elektromagnetiske miljø. Sluk for headsettet og andre Bluetooth-enheder på følgende steder, da det kan forårsage en ulykke:
Hospitaller - nær prioriterede siddepladser i tog, steder, hvor brændbar gas er til stede, i nærheden af automatiske døre eller i nærheden af brandalarmer.
Fly - følg instruktionerne fra kabinepersonalet, eller spørg det flyselskab, du flyver med, om betingelserne for brug af headsettet.
MIXX påtager sig intet ansvar for eventuelle skader eller tab som følge af informationslækager, der opstår, når du bruger Bluetooth-kommunikation. Bluetooth-forbindelser med alle Bluetooth-enheder kan ikke garanteres. Bluetooth-enheder, der er forbundet med headsettet, skal overholde Bluetooth-standarden, der er foreskrevet af Bluetooth SIG, Inc.

[FI] Langaton Bluetooth-tekniiikka toimii noin 10 metrin etäisyydellä. Suurin yhteysetäisyys voi vaihdella esteiden (ihmiset, metalliesineet, seinät jne.) tai sähkömagneettisen ympäristön mukaan. Sammuta kuulokkeet ja muut Bluetooth-laitteet seuraavissa paikoissa, sillä ne voivat aiheuttaa onnettomuuden:
Sairaalat – junien etuoikeuspaikkojen läheisyydessä; paikoissa, joissa on syttyvää kaasua; automaattisten ovien läheisyydessä ja palohälyttimien läheisyydessä.
Lentokone – noudata matkustamohenkilökunnan ohjeita tai pyydä lentoyhtiöltä, jolla lennät, kuulokkeiden käyttöehtoja.
MIXX ei ole vastuussa vahingoista tai menetyksistä, jotka johtuvat Bluetooth-yhteyden käytön aikana tapahtuvista tietovuodoista. Bluetooth-yhteyksiä kaikkiin Bluetooth-laitteisiin ei voida taata. Kuulokkeisiin liitettyjen Bluetooth-laitteiden on oltava Bluetooth SIG, Inc:n

[NO] Trådløs Bluetooth-teknologi opererer innenfor en rekkevidde på omtrent 10 m (30 fot). Den maksimale kommunikasjonsavstanden kan variere avhengig av tilstedeværelsen av hindringer (mennesker, metallgjenstander, vegger osv.) eller det elektromagnetiske miljøet. Slå av headsettet og andre Bluetooth-enheter på følgende steder, siden disse kan forårsake en ulykke:
Sykehus – nær prioriterte seter i tog, steder der brennbar gass er til stede, i nærheten av automatiske dører eller i nærheten av brannalarmer.
Fly – følg instruksjonene fra kabinpersonalet eller spør flyselskapet du flyr med om vilkårene for å bruke headsettet.
MIXX påtar seg intet ansvar for eventuelle skader eller tap som følge av informasjonslekkasjer som oppstår under bruk av Bluetooth-kommunikasjon. Bluetooth-forbindelse kan ikke garanteres med alle Bluetooth-enheter. Bluetooth-enheter som er koblet til headsettet, må overholde Bluetooth-standarden foreskretet av Bluetooth SIG, Inc.

[SV] Trådlös Bluetooth-teknik fungerar inom ett intervall på cirka 10 m (30 fot). Det maximala kommunikationsavståndet kan variera beroende på närvaron av hinder (människor, metallföremål, väggar etc.) eller den elektromagnetiska miljön. Stäng av headsetet och andra Bluetooth-enheter på följande platser, eftersom de kan orsaka en olycka:
Sjukhus – nära prioriterade sittplatser i tåg, platser där brandfarlig gas finns, nära automatiska dörrar eller nära brandlarm.
Flygplan – följ instruktionerna från kabinpersonalen eller fråga flygbolaget du flyger med om villkoren för att använda headsetet.
MIXX tar inget ansvar för eventuella skador eller förluster till följd av informationsläckor som uppstår vid användning av Bluetooth-kommunikation. Bluetooth-anslutningar med alla Bluetooth-enheter kan inte garanteras. Bluetooth-enheter som är anslutna till headsetet måste överensstämma med Bluetooth-standarden som föreskrivs av Bluetooth SIG, Inc.

[PL] Technologia bezprzewodowa Bluetooth działa w zasięgu około 10 m (30 stóp). Maksymalny zasięg komunikacji może się różnić w zależności od obecności przeszkód (ludzie, metalowe przedmioty, ściany itp.) lub środowiska elektromagnetycznego. Wyłącz zestaw słuchawkowy i inne urządzenia Bluetooth w następujących lokalizacjach, ponieważ może to spowodować wypadek:
Szpitale - w pobliżu priorytetowych miejsc siedzących w pociągach, miejsc, w których występuje łatwopalny gaz, w pobliżu drzwi automatycznych lub w pobliżu alarmów przeciwpożarowych.
Samolot - postępuj zgodnie z instrukcjami personelu pokładowego lub zapytaj linię lotniczą, z którą lataasz, o warunki korzystania z zestawu słuchawkowego.
MIXX nie ponosi odpowiedzialności za jakiegolwiek szkody lub straty powstałe w wyniku wycieków informacji mających miejsce podczas korzystania z komunikacji Bluetooth. Nie można zagwarantować połączeń Bluetooth ze wszystkimi urządzeniami Bluetooth. Urządzenia Bluetooth połączone z zestawem słuchawkowym muszą być zgodne ze standardem Bluetooth określonym przez Bluetooth SIG, Inc.

LET’S RECYCLE

RECYCLAGE | PRODUKTRECYCLING | LATEN WE RECYCLEN | VAMOS A RECICLAR | RICICLIAMO | VAMOS RECICLAR | LAD OS GENBRUG | KIERRÄTETÄÄN | LA OSS RESIRKULERE | LÄT OSS ÅTERVINNA | RECYKLACE

EN: This product can be recycled. Products bearing this symbol  must NOT be thrown away with normal household waste. Take the product to a collection point designated for recycling of electronic devices. Find out more about return and collection points through your local authority.

FR: Ce produit peut être recyclé. Les produits portant ce symbole  ne doivent PAS être jetés avec les ordures ménagères normales. Amener le produit à un point de collecte désigné pour le recyclage des appareils électroniques. Renseignez-vous sur les points de retour et de collecte auprès de votre commune.

DE: Dieses Produkt kann recycelt werden. Mit diesem Symbol  versehene Produkte dürfen NICHT über den Hausmüll entsorgt werden. Entsorgen Sie dieses Produkt über eine Sammelstelle für das Recycling elektronischer Geräte. Weitere Informationen über die Entsorgung und Sammelstelle erlangen Sie bei Ihrer örtlich zuständigen Behörde.

NL: Dit product kan worden gerecycled. Producten met dit symbool  mogen NIET met normaal huishoudelijk afval worden weggegooid. Breng het product naar een inzamelpunt dat is aangewezen voor recycling van elektronische apparaten. Kom meer te weten over retour- en ophaalpunten via uw lokale autoriteit.

ES: Este producto puede ser reciclado. Los productos que lleven este símbolo  NO deben desecharse con residuos domésticos normales. Lleve el producto a un punto de recogida designado para el reciclaje de dispositivos electrónicos. Obtenga más información sobre los puntos de devolución y recogida a través de su autoridades locales.

IT: Questo prodotto può essere riciclato. I prodotti recanti questo simbolo  NON devono essere smaltiti con i normali rifiuti domestici. Porta il prodotto in un punto di raccolta designato per il riciclaggio di dispositivi elettronici. Scopri di più sui punti di restituzione e raccolta attraverso la tua autorità locale.

PT: Este produto pode ser reciclado. Os produtos que ostentam este símbolo  NÃO devem ser eliminados com o lixo doméstico normal. Leve o produto a um ponto de recolha designado para reciclagem de dispositivos eletrónicos. Saiba mais sobre pontos de devolução e recolha através da sua autoridade local.

DA: Dette produkt kan genbruges. Produkter med dette symbol  må IKKE bortskaffes sammen med almindeligt husholdningsaffald. Tag produktet til et indsamlingssted, der er udpeget til genanvendelse af elektronisk udstyr. Få mere at vide om retur- og indsamlingssteder via din lokale myndighed.

FI: Tämä tuote voidaan kierrättää. Tällä symbolilla  varustettuja tuotteita EI saa heittää pois tavallisen kotitalousjätteen mukana. Vie tuote keräyspisteeseen, joka on nimetty elektronisten laitteiden kierrätystä varten. Kysy lisää palautus- ja keräyspisteistä paikalliselta viranomaiselta.

NO: Dette produktet kan resirkuleres. Produkter med dette symbolet  må IKKE kastes sammen med vanlig husholdningsavfall. Ta produktet til et innsamlingspunkt utpekt for resirkulering av elektroniske enheter. Finn ut mer om retur- og innsamlingspunkter gjennom den lokale myndigheten.

SV: Denna produkt kan återvinnas. Produkter med denna symbol  får INTE kastas som vanligt hushållsavfall. Ta produkten till en återvinningscentral som är avsedd för återvinning av elektroniska enheter. Ta reda på mer om retur- och återvinningscentraler via din lokala myndighet.

PL: Tento výrobek lze recyklovat. Výrobky označené symbolem  NESMĚJÍ být vyhazovány s běžným komunálním odpadem. Výrobek odevzdejte na sběrné místo určené k recyklaci elektronických zařízení. Více informací o sběrných místech vám poskytne místní úřad.

THANK YOU!
