

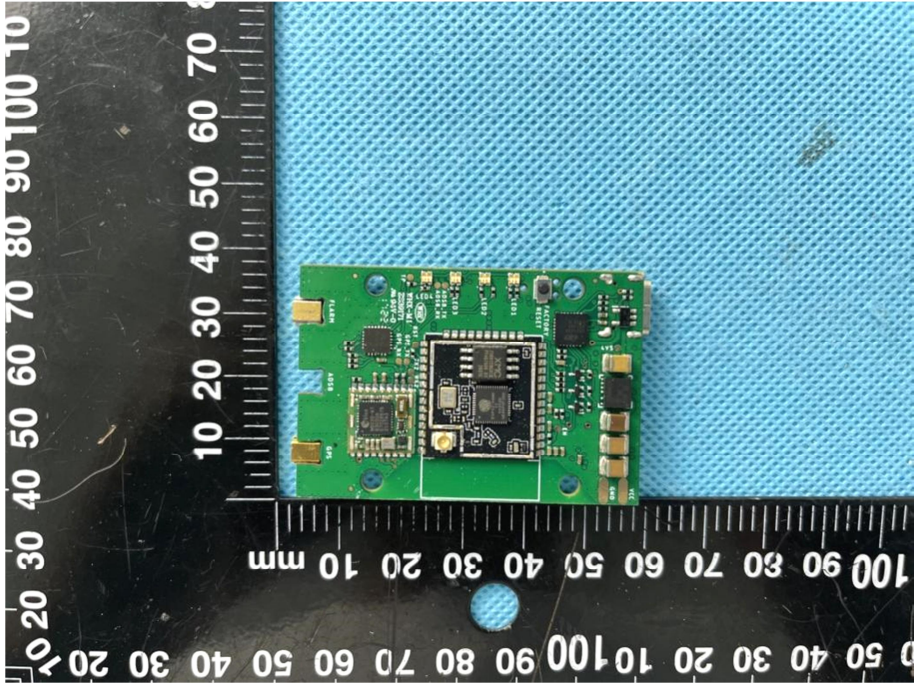

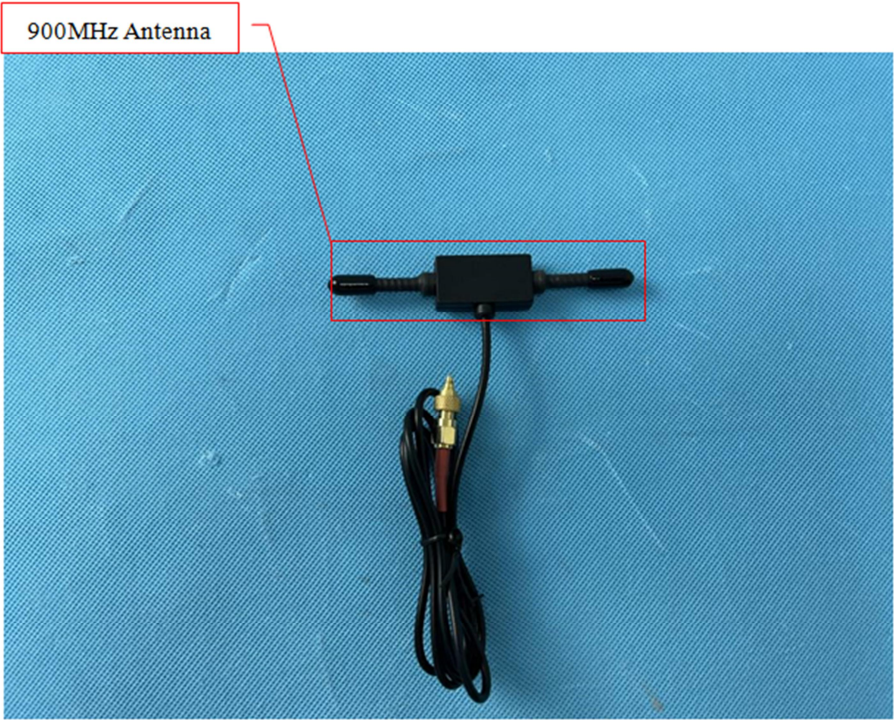

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, likely a radio module, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters. The component features various electronic components, including a large central chip, several smaller chips, and soldered connections. The ruler markings range from 0 to 100 mm.
Antenna View	 A photograph of a 900MHz antenna assembly on a blue textured surface. A red rectangular box highlights the antenna component, which is connected to a black cable. A red line points from a label "900MHz Antenna" to the highlighted component. The cable has a gold-colored connector at the bottom.
