Columbia, MD 21046
USA

Date: 10/12/2020

FCC ID: 2AXL9 - 01317

To Whom It May Concern,

Pursuant to the provisions of the Commission's rules Title 47 Sections §0.457 and §0.459, we are requesting the Commission to withhold the following attachment(s) as confidential documents from public disclosure indefinitely.

These documents contain detailed system and product descriptions and are considered as proprietary information in operation of the product. The public disclosure of these documents might be harmful to our company and would give competitors an unfair advantage in the market.

- Schematic Diagram
- Block Diagram
- Operational Description

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and this information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

By: *Dmitry Gorin*
