

ANNEX

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC ID Label Format

This equipment has been tested and meets applicable limits for radio frequency (RF) exposure.

Product label

F5 Sports, Inc.

PRODUCT MODEL: TWB-100

FCC ID: 2AXO6-F5B10

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Specifications: Due to the product's sizing, the label is in the product manual and on the exterior of the packaging.

Proposed Label Location on EUT

FCC ID Label Location
