

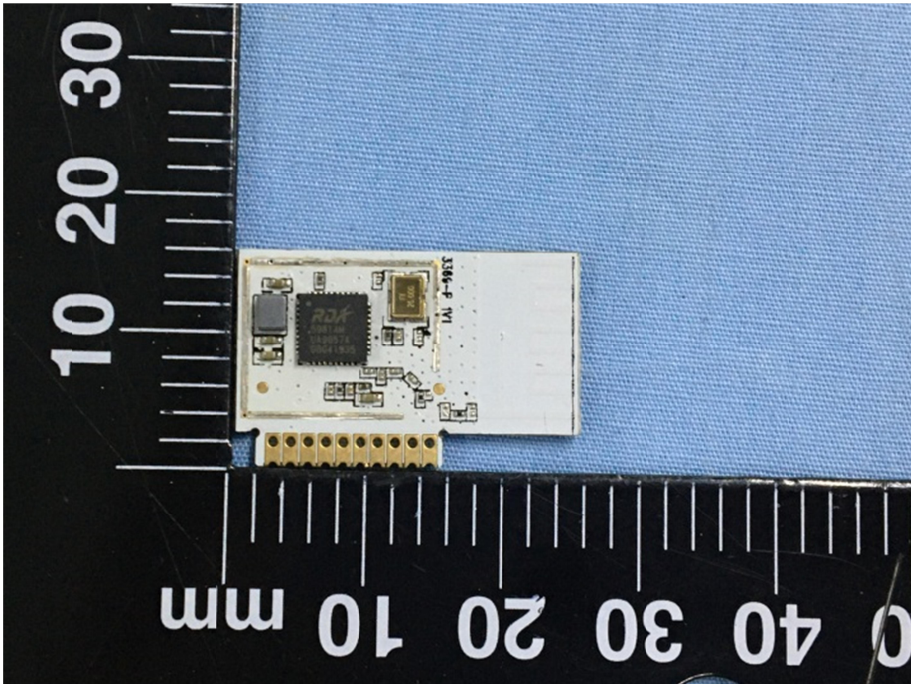

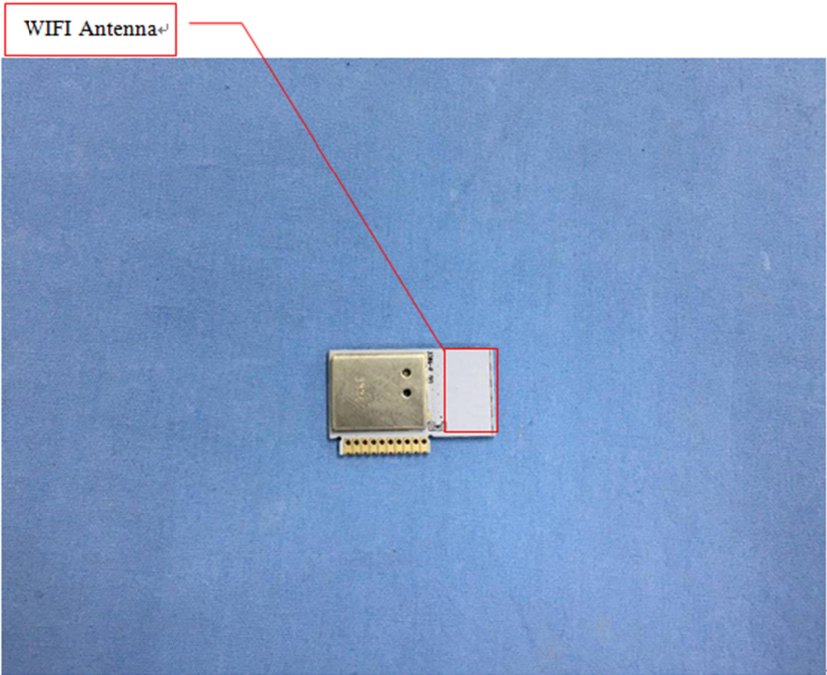

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph showing a small electronic component, likely a Wi-Fi module, mounted on a blue textured surface. The component is rectangular with a gold-colored edge connector. A black ruler with white markings is placed vertically to the left of the component, showing measurements in millimeters (10, 20, 30 mm). The component has a white label with some text and a small antenna structure.
Antenna View	 A photograph showing the same electronic component from a different angle, focusing on the antenna. A red line points from a label "WIFI Antenna" to the antenna structure. The component is mounted on a blue textured surface. The antenna is a small, rectangular, gold-colored structure with two small circular holes.
