- 3) Enter 192.168.0.1 or 192.168.1.1 in the web address bar to access the administrator's page
- 
- 2) Please enter your ID and password and log in. (If you don't know the account, you're using
Please contact your router's manual or customer service.)
- 3) Select the management tools menu.

- 5) Select 2.4 GHz Wi-Fi and select the Apply button at the bottom to complete the setup.

Product Name	Smart Office Meeting Room
Item No.	71121
Size/Weight	345*120*144mm/25kg
Material	Stainless Steel, PVC
Rated voltage	220 V / 1A
Rated current	1.250A
Battery capacity	3000mAh
charging time	about 2 hours
Usage time	about 12 to 13 hours
Components	Product, Type-C cable/USB, manual
Country of origin	China
Date of introduction	2023.12
Certification number	CCC0694130001
Manufacturer's company name	8-6 D.C. 401-0306
Manufacturer's Name	HYUNDAI ELECTRONICS Trading Co., Ltd
Importer	Hyundai E / S2, 19, Gangneung-dong, Gangneung-gu, Seoul
Buyer	Makaseonam corp / A-5F 802, Daewangnam-gil, Bundang-gu, Seongnam-si, Gyeonggi-do, Republic of Korea
Customer Service Contact	+82-31-777-6243
Execution Place	Place of purchase

1. Do not use the product for anything other than its original purpose.
2. Do not arbitrarily disassemble, modify, or repair the product.
3. Do not use in very cold or hot places, humid and dusty places.
4. Prohibit use in objects and regions with strong magnetic forces that can cause instrument malfunctions.
5. If water seeps in, turn off the power immediately, wipe the outside water, dry it completely in a well-ventilated place.

2. Free service information.
Within 30 days from the date of purchase, if dissimilarity occurs under normal use, within 20 days from the date of purchase.
For products that are found to be defective, the product itself will be replaced with a new one.
However, it applies only if you have the product warranty receipt, and it does not apply to:
- Appearance damage and contamination
- When the product is disassembled, repaired, or used for other purposes
- Product failure or damage due to natural disasters (earthquakes, fire, flood, etc.)
- Product failure or damage due to the user's negligence or failure to comply with the official presentation
3. Information on paid service
In the event of a product failure within one year of the purchase date, we will only replace the product for a paid service (including round shipping) if you have a warranty and receipt, and the product is not damaged or contaminated by the user.
If the product is damaged or contaminated by the user, the product will be repaired or replaced at a cost.
- Parts such as cables and gender are consumables, so they are not covered under warranty.
Additional information:
- If the product is not defective, the customer must bear the return shipping cost.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

*Increase the separation between the equipment and receiver.

- The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction.

† If exchange and return are not possible

- In case the product is damaged or lost due to your carelessness
 - If the product packaging is damaged and the product value is reduced,
 - In case there is evidence of use of the product or the product is damaged,
 - In the event of loss or damage to the accessories contained in the product.
- * This product is manufactured and imported as a complete product, and A/S is not available, and only exchange and return are permitted.
