XVision HD RX

User Manual

Thank you for choosing SYNCO product. Please read this manual carefully before use and follow all instructions mentioned herein.

Caring For Your SYNCO Product

- Please keep the product in a dry, clean, dust-free environment.
- Keep corrosive chemicals, liquids, and heat sources away from the product to prevent mechanical damage.
- Use only a soft and dry cloth for cleaning the product.
- Malfunction may be caused by dropping, the impact of external force.
- Do not attempt to disassemble the product. Doing so voids the warranty.
- Please have the product checked or repaired by authorized technicians if any malfunctions happen.
- Failure to follow all the instructions may result in mechanical damage.
- Warranty does not apply to human errors.

Product Introduction

Transmitter

- | | | |
|------------------------------|------------------|----------------------------|
| ① HDMI Input Port | ④ Screen | ⑦ USB-C Port(Charging) |
| ② HDMI Output Port(Loop Out) | ⑤ Power Switch | ⑧ NP-F Battery Lock Button |
| ③ Antenna | ⑥ Pairing Button | ⑨ 1/4 Screw Hole |

Receiver

- | | | |
|--------------------|------------------|----------------------------|
| ① HDMI Output Port | ④ Screen | ⑦ USB-C Port(Charging) |
| ② HDMI Output Port | ⑤ Power Switch | ⑧ NP-F Battery Lock Button |
| ③ Antenna | ⑥ Pairing Button | ⑨ 1/4 Screw Hole |

UI Introduction

- | | | |
|------------------------------|------------------------------|--------------|
| ① Transmitter TX/Receiver RX | ③ Connection Signal strength | ⑤ Resolution |
| ② Power | ④ WiFi | ⑥ Bitstream |

Operations

1. Power Supply

Power supply via NP-F battery:

Press the lock and slide the battery(7.4-8.4V) in or out.

Power supply via USB-C:

Connect the power(5V 2A) to the Type-C port.

2. Power On/Off

Slide down the power switch to power it on.

Slide up the power switch to power it off.

* It will automatically reconnect to the previously paired device.

3. Pairing

Long press the pairing buttons on the transmitter and receiver for 5s to enter pairing mode. Once paired, the screen will display Paired.

Pair receivers one at a time.
A TX supports up to 4 RX (including RX and APP monitoring devices).
** The device will exit pairing mode if no device is found within 90s.*

Packing List

1 TX + 1 RX

1 TX + 2RX

1 TX + 4RX

Specification

	TX	RX
Transmission Range	300m	300m
Interface	HDMI Input/HDMI Output	HDMI Output*2
Power Supply	TYPE-C 5V2A/NPF Battery	TYPE-C 5V2A/NPF Battery
Power Consumption	< 2w	< 2w
HDMI Input Specification	1080p@30/50/60P	/
Output Specification	1080p@30/50/60P	1080p@30/50/60P
Weight	119g	119g
Dimension	102*63*33	102*63*33
Frequency Band	5.180~5.825GHz	5.180~5.825GHz
Transmit Power	< 20dBm	< 20dBm
Latency	40ms	40ms

WARRANTY

Warranty Period

Thank you for purchasing SYNCO products.

- Customers are entitled to free replacement or repair service in case of quality defect(s) found in the product under normal use within 30 days of receipt of the product.
- Original SYNCO products are entitled to a 12-month limited warranty service. The warranty period begins on the date of purchase of brand-new, unused products by the first end-user. Within the warranty period, if product defect or failure is attributable to material defection or technological problem, the defective product or defective part will be repaired or replaced without charge (service and materials fee).

Warranty Exclusions and Limitations

- Faults resulted from inappropriate use of a product without following its operation specification.
- Artificial damage, e.g. crash, squeeze, scratch, or soaking.
- Modifications to a product by its user or a third party without prior written consent of SYNCO, e.g. replacement of element or circuit, label alteration.
- The code on product is inconsistent with that of warranty certificate, or the code on the product or warranty certificate is altered or torn off.
- All consumable accessory attached to a product, like cable, wind muff, battery.
- Faults as a result of force majeure, such as fire, flood, lightning, etc.

Warranty Claim Procedure

- If failure or any problem occurs to your product after purchase, please contact a local agent for assistance, or you can always contact SYNCO’s customer service through email at support@syncoaudio.com.
- Please retain your sales receipt and warranty certificate as proof of purchase. If any of these documents is missing, only sales return or chargeable service will be provided.
- If the SYNCO product is out of warranty coverage, the service and the parts cost will be charged.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.

This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter.

Radiation Exposure Statement
To maintain compliance with FCC’s RF Exposure guidelines, This equipment should be installed and operated with minimum distance of 20cm from your body.
