

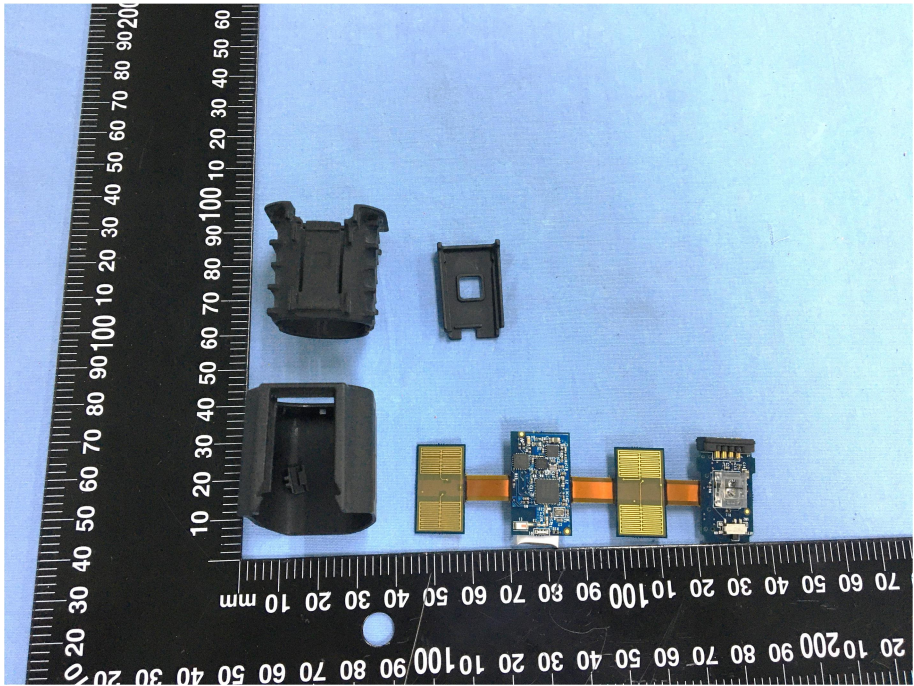

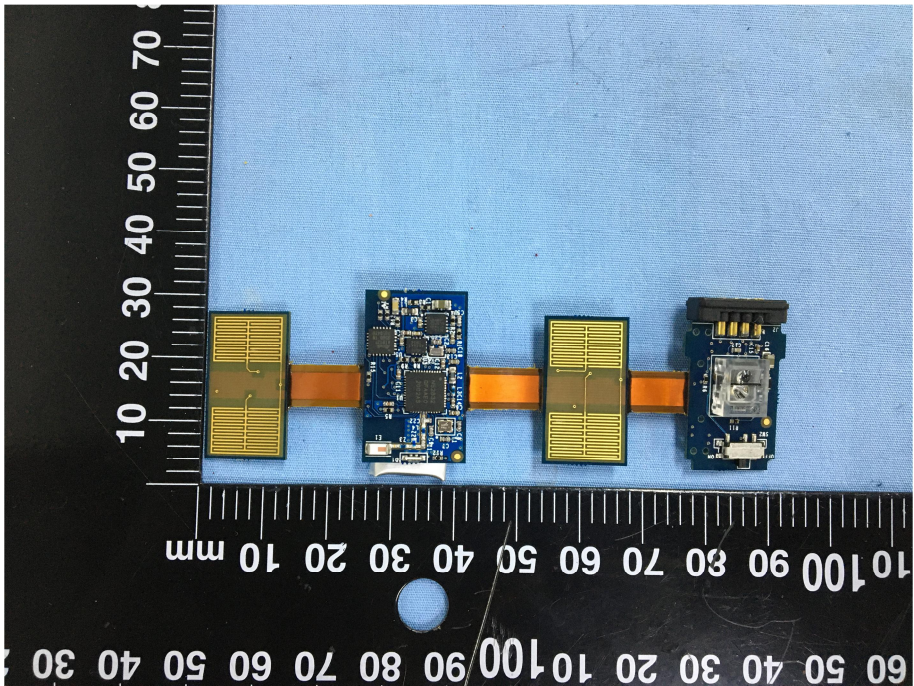

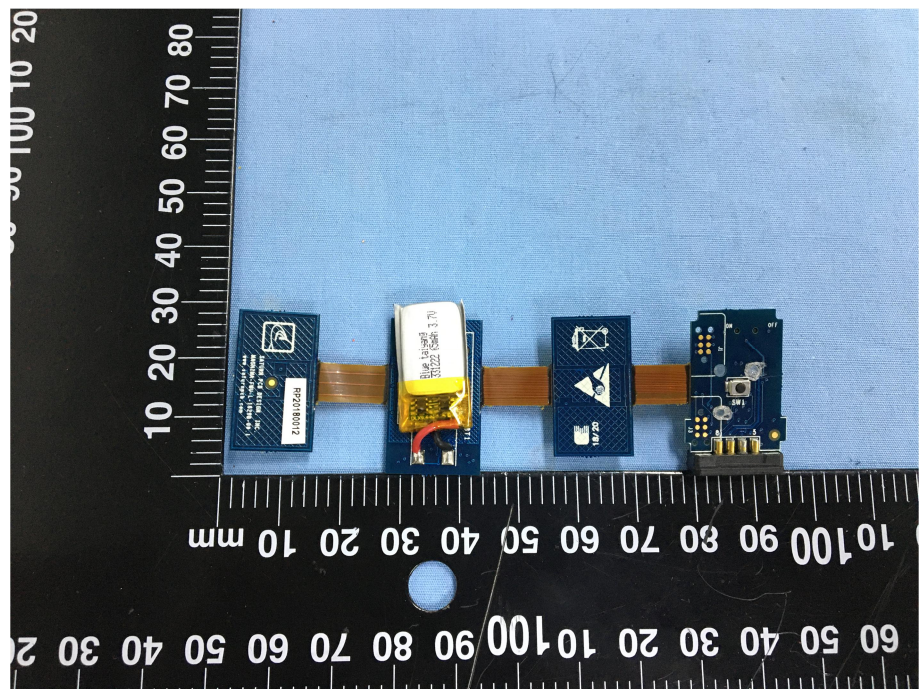

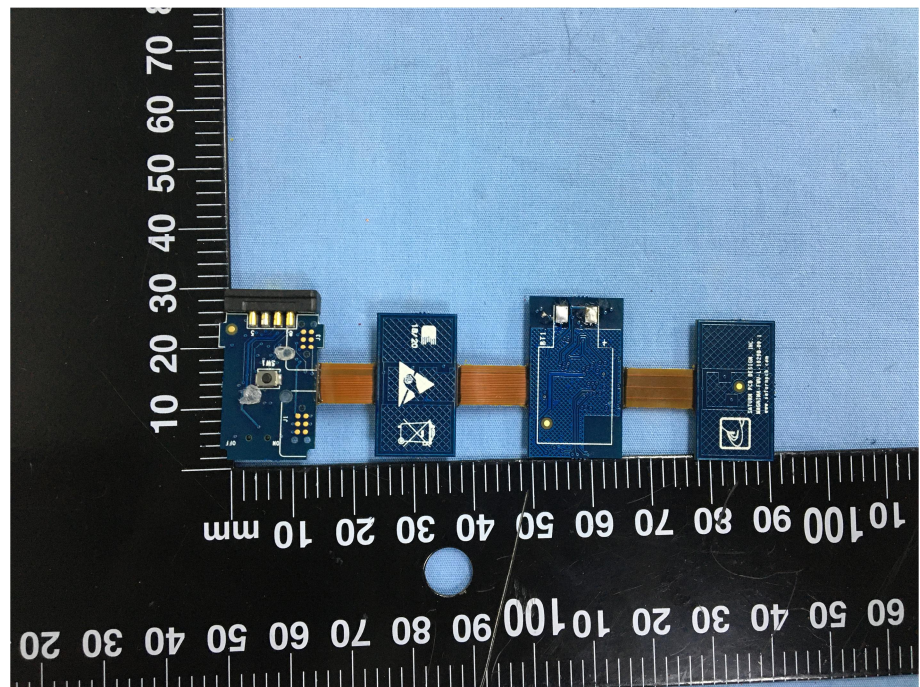

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT. On the left is a black plastic housing. To its right are two small black plastic pieces. Further right is a blue printed circuit board (PCB) connected to two gold-colored flexible circuit boards. A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters. The ruler is oriented vertically in the image, with the 0 mark at the top and the 100 mm mark at the bottom.
Solder Board-Component View 1	 A photograph showing the soldered components of the EUT. It features a blue PCB connected to two gold-colored flexible circuit boards. A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters. The ruler is oriented vertically in the image, with the 0 mark at the top and the 100 mm mark at the bottom.
