

LABEL AND LOCATION

Small Device Labeling Declaration

The device is a compact GPS tracking device with approximate dimensions of **9.2 cm x 6.5 cm x 2.8 cm**. The available flat surface area for permanent labeling on the device is limited to approximately **30 mm x 23 mm**.

Due to the small size of the device and limited available label area, it is impractical to place the full FCC Part 15 statement on the device label in a font size of 4-point or larger.

The device label will include the model name, FCC logo, FCC ID, and a QR code linking to the user manual and FCC statement. The full FCC Part 15 compliance statement will also be included in the user manual and provided on a separate label placed inside the product packaging / bag with the device.
