**Inquiry on 09/18/2025 :**

**Inquiry:**

Hi gentleman or lady

We have a earphone with separate left and right ears, They use the same antenna and have the same antenna gain, but the PCB layout is different. I want to know if they can use the same FCC ID, Thanks!

Attached are attached PCB layout pictures of the left and right ear numbers.

**FCC response on 09/21/2025**

We only allow it if the PCB layout is the same design we would accept this if the PCB are as a mirror image of each other.
