LED Indicator	Status
Green light for 5S, blue light for 10 seconds, then go out	Connected to power
Blue keeps on for 15 seconds, then goes out	Charging mobile device
Blue and green lights flashing	Metal or abnormal objects detected
Flashing green	Overvoltage protection means you need to switch to 5V/9VDC adapter

·You can not charge your device wirelessly in these scenarios:
o using a case with a magnetic/iron plate;
o using a case with a pop socket;
o using an ultra-thick(>6mm) protective phone case.

·Do not place any foreign objects between your device and the wireless charger's surface,including metal pads on a car mount,credit cards, door keys,coins,metal,or NFC cards,which will make wireless charging fail or cause overheating.

·Wireless chargers make charging more convenient than wired chargers,but confined by current wireless technology, their charging speed is slower than that of wired chargers.

·High temperatures will reduce charging speed and restrict power, which is a phenomenon commontoall wireless chargers.It is recommended that you charge your device in environments with temperatures below 25°C/77°F

·Both the protective phone case and the position of your device on the wireless charger wil affect the charging speed.The farther it is placed from the center of the wireless charger,the slower the charging speed will be.

Important Safety Instructions

·Avoid dropping.
·Do not disassemble.
·Do not expose to liquids.
·For the safest and fastest charge, use original or certified cables.
·This product is suitable for moderate li mates only.

.The maximum ambient temperature during use of this product must not exceed 40°C.
.Open fame sources, such as candles, must not be placed on this product.
.Only use a dry cloth or brush to clean this product.

FCC Statement

This device complies with Part 15oftheFCC Rules.Operation is subject to the following two conditions;
(1) This device may not cause harmful interference,and
(2)this device must accept any interference received,including interference that may cause undesired operation.

Warning:
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note:This equipment has been tested and found to comply with the limits for a Class B digital device,pursuant to Part 15oftheFCC Rules.These limits are designed to provide reasonable protection against harmful interference in a residential in staH ation.
This equipment generates, uses, and can radiate radiofrequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radiocommunications.However, there is no guarantee that interference wil not occur in a particular installation.If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures,
(1) Reorient or relocate the receiving antenna.
(2) Increase the separation between the equipment and receiver.
(3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
(4) Consult the dealer or an experienced radio/TV technician for help.

Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.This equipment should be installed and operated with minimum distance of 20cm between the radiator&your body.

Product Name:Wireless Charger
Model:A 18
Shenzhen Aibner Electronics Co., Ltd
3rd floor, building 1, Nanyue United Industrial Zone, Longgang District,
Shenzhen City, Guangdong Province, China
Telephone:(86) 400-805-8882

IC Statement

This device com les wth RSS 216 of Industry Canada,Operat in is sub ect to the condition that this device does not cause harmful interference.

Specifications

Input ⇨	5V=2A/9V=2A
Output ⇦	10WMax
Size	100x100x5mm/3.9x3.9x0.2in
Weight KG	67g/2.4oz

Declaration of Conformity

Hereby,Shenzhen Aibner Electronics Co., Ltd declares that the product type A18isin compliance with Directive 2014/53/EU.The fulltext of the EU declaration of conformity is available at the following internet address.
