

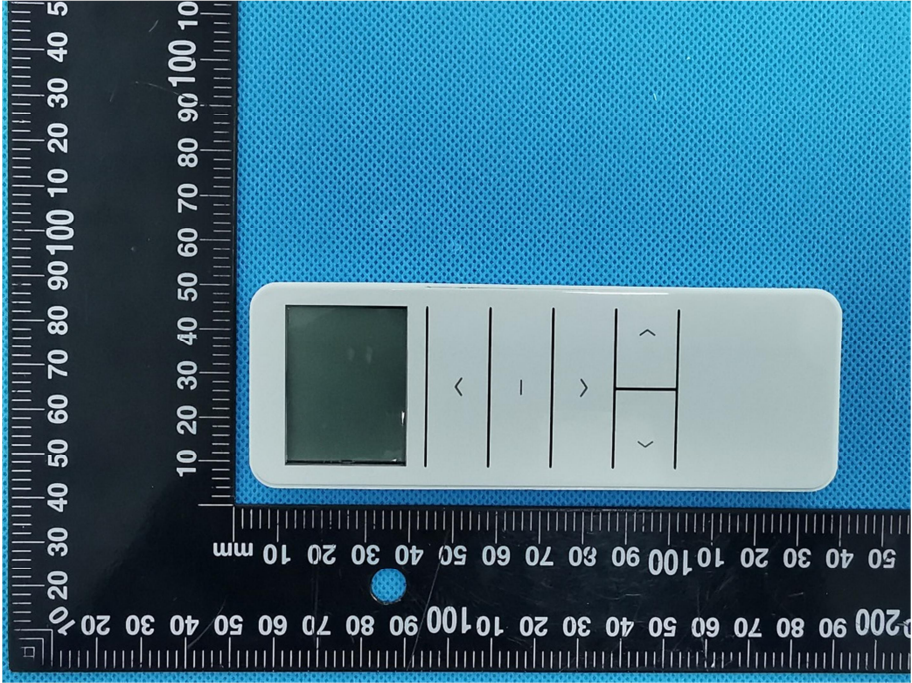

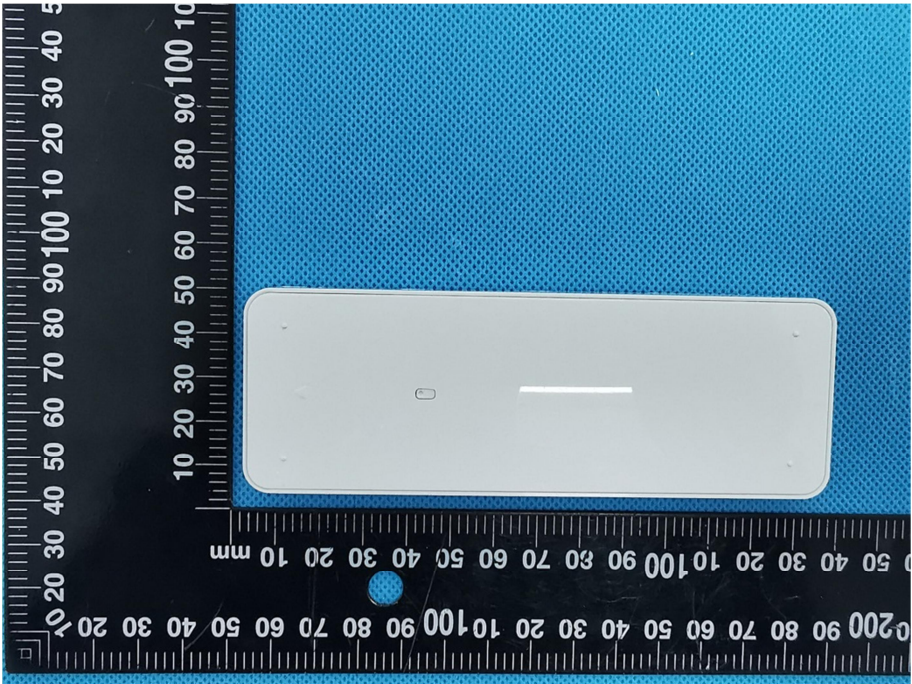

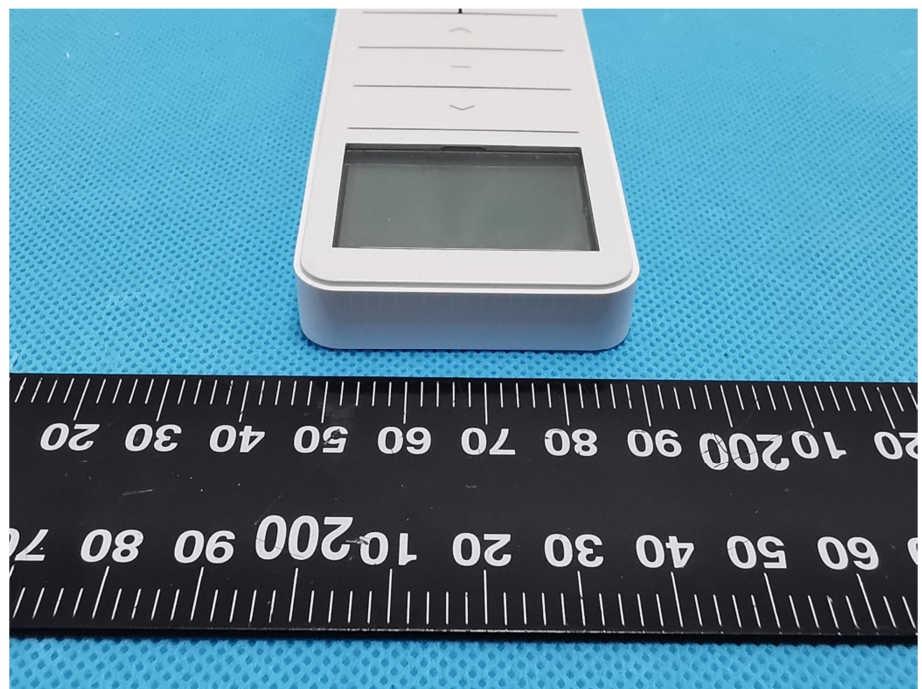

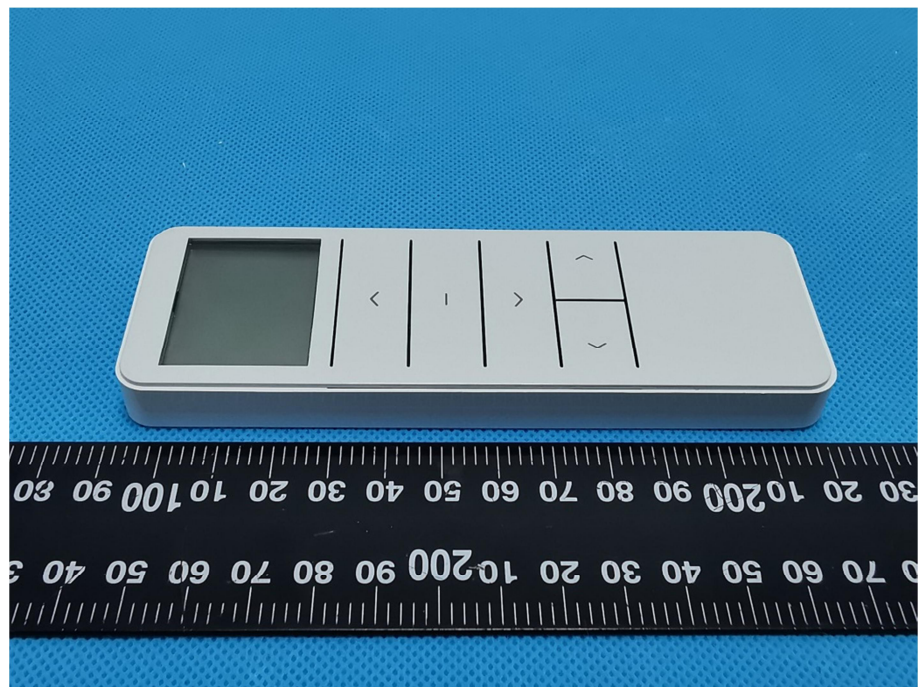

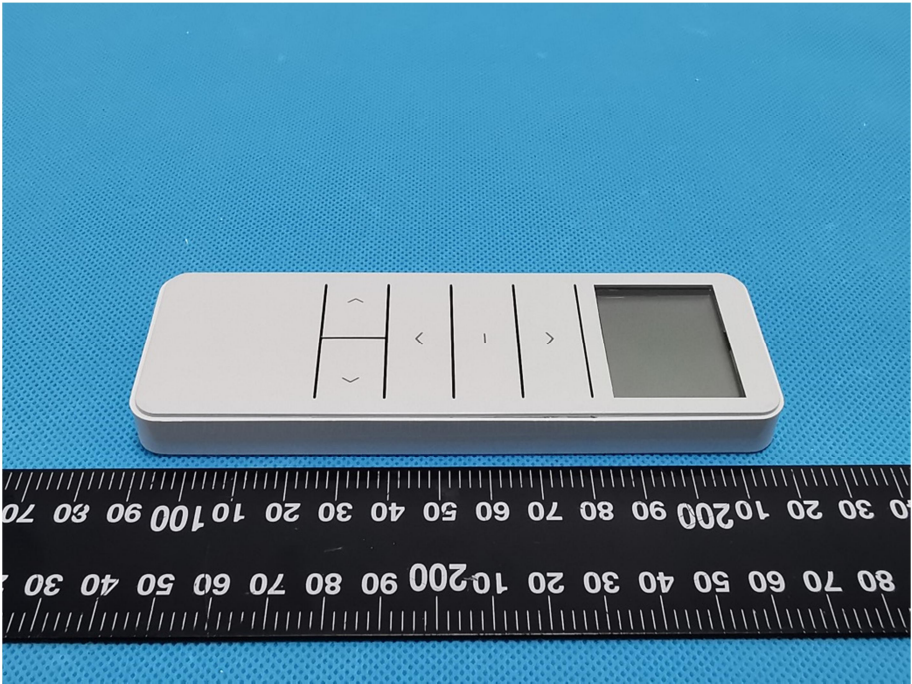

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front view of a white, rectangular electronic device. The device features a small, dark screen on the left side and a series of five vertical lines with symbols (less-than, equals, greater-than, and two arrows) to its right. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10).
EUT View 2	 A photograph showing the back view of the same white electronic device. The back is mostly plain white with a small circular feature and a horizontal line near the bottom. The device is placed on the same blue textured surface next to the same black ruler, showing the same measurement markings.

EUT View 5	 A photograph showing the front view of a white, rectangular handheld electronic device. The device has a small screen at the top, followed by a series of buttons: a single arrow button, a horizontal line button, another single arrow button, and a pair of left and right arrow buttons. Below these buttons is a larger rectangular area. The device is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the device, showing measurements in centimeters.
EUT View 6	 A photograph showing the side view of the same white handheld electronic device. The device is oriented horizontally, showing its profile. The screen and buttons are visible on the top edge. The device is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the device, showing measurements in centimeters.
