Example

Specifications

DC Input:
12V-24V DC 5A

Bluetooth Version:
V6.0

Bluetooth Working Frequency:
2.402~2.480Ghz

Sensitivity:
-89dBm

USB-A Output:
5V/2.1A

Audio Frequency:
20Hz~20kHz

Bluetooth Effective Distance:
32ft

FM Frequency:
88.1MHz-107.9MHz

USB-C Output:
5V/3A 9V/2.22A

Working Current:
70mA(Max)

FM Emission Effective Distance:
6ft

STATEMENT FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Exposure Information

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

Bluetooth Trademark Statement

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Artsun Enterprise Company Limited is under license. Other trademarks and trade names are those of their respective owners.

Warranty

1 YEAR LIMITED WARRANTY COVERING DEFECTIVE PARTS

The Warranty Period lasts for 1 year (365 days) from the date you purchased the Product. Your purchase date is printed on the receipt you received with the Product.

This limited warranty applies only to hardware components of the Device that are not subject to accident, misuse, neglect, fire or damage from other external causes, alteration, repair, or commercial use.

Safety Precautions

CAUTION

Do not disassemble

Warning Spray
No harsh cleaning chemicals. Clean with dry soft cloth.

Keep Dry

Warning Flammable
