**Confidentiality Request Letter – FCC**

**FCC ID:** 2AYAJ-BS1

Pursuant to FCC 47 CFR [0.457](#)(d)(1)(ii) and [0.459](#) and FCC guidance published in [KDB 726920](#), we hereby request confidential treatment of information accompanying this application as outlined below.

**Long Term Confidentiality (LTC) request**

We request the exhibits selected below as long term confidential be withheld from public view permanently:

| Selection                           | Exhibit name                 |
|-------------------------------------|------------------------------|
| <input checked="" type="checkbox"/> | Parts List & Placement / BOM |

**Short Term Confidentiality (STC) request**

We also request the exhibits selected below as short term confidential be withheld from public view for a period of 180 days<sup>1</sup> from the date of the Grant of Equipment Authorization and prior to marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to the public:

| Selection <sup>2</sup>              | Exhibit name      |
|-------------------------------------|-------------------|
| <input checked="" type="checkbox"/> | Test Setup Photos |

**Justification for Confidentiality**

The development of this product represents a significant investment and a strategic competitive differentiator for our company. Unrestricted public access to its design specifics would negate this hard-earned advantage, leading to considerable financial hardship.

In the event of market introduction before the designated short-term confidentiality period expires, the grantee will notify the TCB to ensure timely release of the confidential information on the FCC equipment authorization website.

The content herein contains trade secrets and proprietary information not typically released to the public. Disclosure of this information could severely impact the applicant and provide an unfair advantage to competitors. The Applicant acknowledges that, under Rule [0.457](#)(d)(1)(ii), this Application and all associated materials will not be disclosed before the Grant date.

Sincerely,
