DO NOT IMPACT

A close-up photograph of a metal tool, possibly a probe or a stylus, lying horizontally on a dark, textured surface. The tool has a cylindrical body with a silver-colored metal finish. A white, rectangular label is attached to the right end of the tool. The label has the words "DO NOT IMPACT" printed in a bold, sans-serif font. The tool's tip is visible on the left, and the label is positioned towards the right end. The background is a dark, textured surface, possibly a piece of fabric or a workbench.

DO NOT IMPACT
