Attn.: Equipment Authorization Branch

**FCC Change of ID Request Letter**

To Whom It May Concern:

This letter formally requests a new FCC ID for a currently approved device, in accordance with 47 CFR Part [2.933](#) (b).

**Original Device Information:**

|               |                               |
|---------------|-------------------------------|
| FCC ID:       | VPYLB1GC                      |
| Model:        | Type1GC                       |
| Grant holder: | Murata Manufacturing Co. Ltd. |
| Grant date:   | December 9, 2019              |

**New Device Information:**

|             |                |
|-------------|----------------|
| New FCC ID: | 2AYAJ-WF1      |
| New Model:  | 43-5570-001-15 |

We hereby declare that the new device is identical in design and construction to the originally approved model. Consequently, the original test results remain applicable and representative of the new device. All documents on file with the FCC from the original certification remain unchanged and continue to be valid.

Please do not hesitate to contact us if you require any further information.

Sincerely,

|                                   |                         |
|-----------------------------------|-------------------------|
| Agency agreement expiration date: | May 23, 2025            |
|                                   | <i>*Up to 12 months</i> |

|               |                                                                                     |                        |
|---------------|-------------------------------------------------------------------------------------|------------------------|
| Signed by:    |  | Nora C.R. York         |
|               | <i>Signature</i>                                                                    | <i>Print name</i>      |
|               |                                                                                     | VP of RA/QA            |
|               |                                                                                     | <i>Title</i>           |
|               |                                                                                     | 760-448-5066           |
|               |                                                                                     | <i>Phone</i>           |
| On behalf of: |                                                                                     | Canary Medical USA LLC |
|               |                                                                                     | <i>Company name</i>    |
