| <p>EUT View 3</p> |  A black rectangular device is shown from its bottom view. It features a large rectangular speaker grille with a fine mesh pattern in the center. Four circular feet are positioned at the corners of the device. The device is placed on a blue textured surface next to a black ruler with white markings in centimeters and millimeters.                                                                                                 |
| <p>EUT View 4</p> |  A black rectangular device is shown from its top view. It features a large rectangular speaker grille with a fine mesh pattern in the center. To the right of the grille are four circular buttons arranged vertically. To the left of the grille is a circular button. At the top center, there is a USB port. The device is placed on a blue textured surface next to a black ruler with white markings in centimeters and millimeters. |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                        |
