Attestation Letter

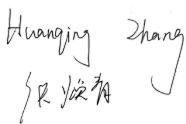

Date: 2021-07-20

The chip NRF52832 installed in our product: Meter(model name: ES500B) which supports BLE (1Mbps), BLE (2Mbps), ANT+ and NFC functions. But for this product, only BLE (1Mbps) is used, other functions are shielded by software.

Please contact me if there is need for any additional clarification or information.

Best Regards,

Sincerely Yours,
