

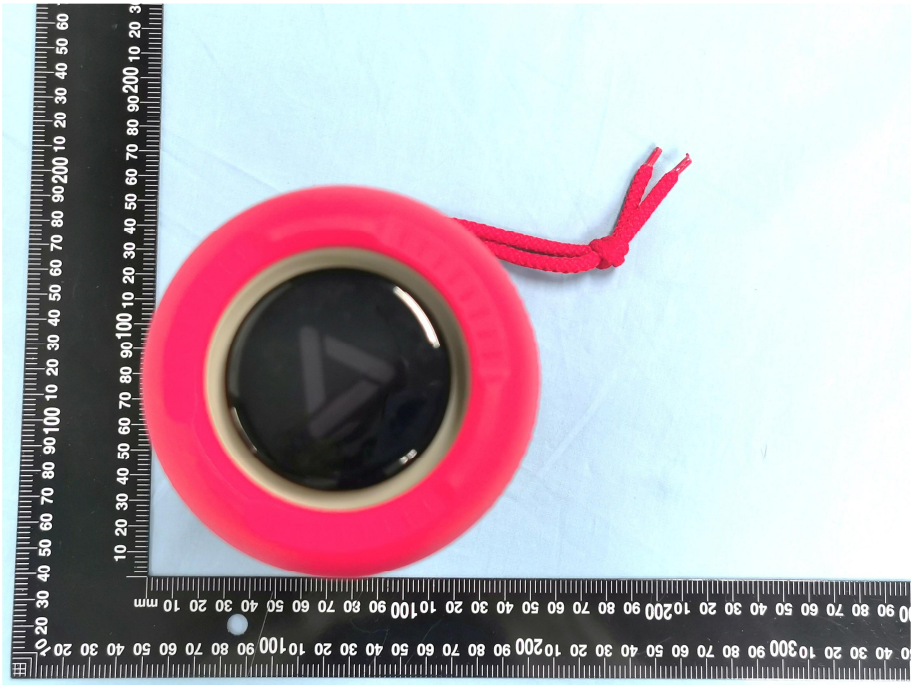

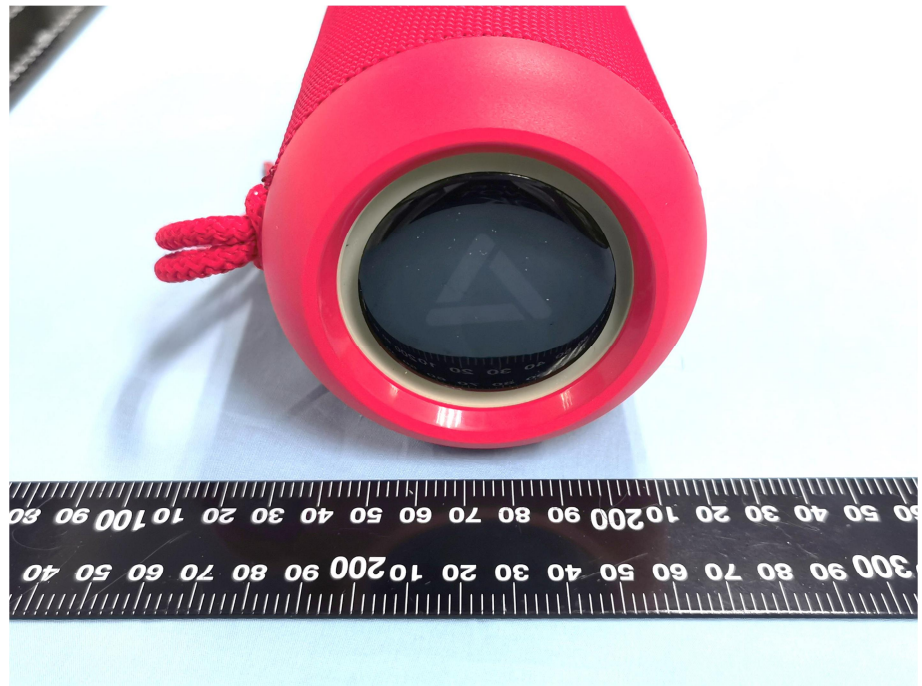

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a red, circular electronic device (EUT) with a black screen and a red cord. The device is placed next to a black USB cable and a green audio cable. A ruler is visible in the background for scale.
EUT View 2	 A photograph showing the same red, circular electronic device (EUT) from a different angle, highlighting the red cord. A ruler is visible in the background for scale.

EUT View 3	 A top-down view of a red, circular electronic device. The device has a black, reflective center and a red outer ring. A red cord is attached to the side. A black ruler with white markings is placed next to the device for scale.
EUT View 4	 A side view of a red, cylindrical electronic device. The device has a red mesh grille and a red outer casing. A small red logo with the text 'mymy' is visible on the side. A black ruler with white markings is placed below the device for scale.
