PEEPS® LIGHT UP WIRELESS SPEAKER

FOR SMARTPHONES, TABLETS AND OTHER BLUETOOTH MEDIA DEVICES

Item model#: FSG11031356
FCC ID: 2AYNN-FSG031356CV

Includes: Wireless Speaker, USB Charging Cable & Manual

Product Overview

① Power On/Off Button

② Micro USB Charging Port

③ Pairing Indicator Light

④ Charging Indicator Light

Features

- Connection with most Bluetooth enabled devices (mobile phones, tablets, etc.)
- Built-in rechargeable lithium battery 400mAh
- Micro USB power cable
- Ideal for traveling, easy installation, excellent sound quality

Keys

Power

Press and hold for 2 seconds to then the speaker on or off.

LED Light on/off Control

When speaker off, double click to turn on the light. Once the light is on, click once to turn off. When speaker on, click to turn on the light. Once the light is on, click once to turn off.

Pairing Your Device

1. Turn on your device and activate Bluetooth function, and green LED light blinks one time and goes out. Now the device is at the pairing mode.
2. Search for Bluetooth devices. Select "Bunny Wireless Speaker".
3. Automatically connect by selecting Bluetooth name without password.

Charging

The Wireless Speaker is powered by an integrated rechargeable lithium battery. Charge as follows:

1. Insert the charging cable into the DC 5V socket on the unit. Connect the USB plug into a PC or 5V/1A AC/DC adaptor. When the battery is charging, the LED indicator turns red.
2. When the indicator LED light goes out, the speaker is fully charged.

*Depending On Usage

FCC Notice

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

FCC Radiation Exposure Statement:
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Instructions

It is recommended that you use the 5V/1A AC adapter with this device. If you do not use the recommended adapter, charging is unavailable or charging time may differ.

To avoid fire or electric shock, do not open the unit, contact to qualified personnel only.

Do not leave the unit in a place near the heating appliances or subject to direct sunlight, moisture, or mechanical shock.

To clean the unit, use a soft, dry cloth. If the surfaces are extremely dirty, use a soft cloth lightly moistened with a mild detergent solution. Do not use strong solvents such as alcohol, benzene, or thinner, as these might damage the surface of the unit.

Do not use volatile liquids such as insecticide spray near the unit. Wiping with strong pressure may damage the surface. Do not leave rubber or plastic products in contact with the unit for a long period of time.

Do not place the unit over the vehicle's air bag. When the air bag deploys, it may result in injury. Before using in the car, fix the unit.

Do not leave the unit on an unstable place such as high shelves. It may fall down because of the vibration of the sound.

Do not use high voltage products around this product (ex. Electrical swatter). This product may malfunction due to electrical shock.

CAUTION when using this product in environments of low humidity. It may cause static electricity in environments of low humidity. It is recommended to use this product after touching any metal object which conducts electricity.

NOTICE: For safety marking information including product identification and supply ratings, please refer to the main label on the bottom or the other surface of the product.
