SUBJECT: Class II Permissive Change for FCC ID: 2AYOA-4010, approval date: 03/10/2026

This is to request a Class II Permissive Change application for above referenced device.

The changes filed under this application are:

1. Add models RW4011, RW4011V, RW4015, RW4015V, RW4016, RW4016V for the devices with changes outlined below.
2. Different dimensions (LENS, Frame, Temple), different form factors, different colors, different mechanical features, different flexible PCBs.

Except the change described above, the design, RF feature, printed circuit board and software are identical to the original granted. Software security remains unchanged from the original application.

Sincerely,

Jane Wang
