

产品名称：BT-1116 说明书 英文

规格：92*80MM，
材质：80G哑粉纸，过哑油，双面印刷，单黑
风琴折,14P

Battery warning The built-in lithium battery of the product is forbidden to be disassembled, impacted, enticed or put into fire. The battery under the very low air pressure may result in explosion or flammable liquid or gas leakage. Avoid the battery in high-temperature environment or being exposed to strong sunlight to avert explosion. Don't use the battery continuously in case of serious ballooning. The battery shall be handled pursuant to the local regulations and shall not be disposed as household garbage. Don't try to repair, remove or refill the battery. The explosion may happen if the battery is replaced by the one subject to incorrect model. Don't compress or puncture the battery with hard object. The battery leakage, overheating or outburst of a fire may occur if the battery is deformed. CE Declaration of Conformity: Hensley, Realtek (Shenzhen) Intelligent Technology Co., Ltd. declares that this device is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: http://www.dizo.net/en-compliance RF exposure information: The SAR power of the device at maximal case is below the exempt condition, 20mW specified in EN62209:2010. RF exposure assessment has been performed to prove that this unit will not generate the harmful EM emission above the reference level as specified in IC Council Recommendation 1999/319/EC.	Recycling Initiative (India) At DIZO we understand that our responsibility doesn't end at selling you our products. DIZO has been working in the area of safe disposal of electronic waste. Since mobiles, tablets and other electronic items are made of hazardous substances. Under the Guidelines of Ministry of Environment, Forest and Climate Change, Government of India, E-waste Management Rule, 2016 and Amendment, E-waste Rule 2016. DIZO will seek shared responsibility and cooperation from customers in reducing the environmental impact of their products. DIZO will comply with all the applicable laws related to E-waste management.  For more information on safe disposal, recycling and you may write an email to sales@disoznet or contact our Toll Free No: 800-842-3230. Disposal and Recycling Information The symbol (with or without a solid ball) on the device, batteries included, and / or the packaging, indicates that the device and its electrical accessories (for example, a headset, adapter or cable) and batteries should not be disposed of as household garbage.	Warranty Thank you for purchasing DIZO products. We will provide comprehensive warranty services according to local laws and regulations. 2.From more details about our warranty policy please visit https://www.dizo.net. Matters Needing Attention: 1.If the product is not in the sales unit will take a valid proof of purchase. 2.The warranty card and the proof of purchase should be kept by the user properly, and it will not be replaced if lost. 3.If the product fails due to non-human factors, the user can present the warranty card and proof of purchase to the DIZO customer service center for free maintenance during the warranty period. Non-warranty situation: This warranty does not cover the following cases: 1. Out of warranty period. 2. Damage caused by use not in accordance with the instructions. 3. Damage caused by man-made causes. 4. Failure caused by unauthorized disassembly, maintenance, or modification of the product. 5. Damage caused by force majeure factors (such as floods, earthquakes, lightning, etc.). 6. There is no warranty card, invoice, or warranty card that does not match the invoice information. 7. The product expires naturally. 8. Other failures and damages that are not caused by the quality of the product itself. Website: www.dizo.net	FCC Statement: This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. Important announcement: Important Notice: Radiation Exposure Statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 15cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. RF exposure requirement: The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction. Federal Communication Commission (FCC) Radiation Exposure Statement: Power is so low that no RF exposure calculation is needed. FCC ID: 3A9V9QA0001	Warranty Card (Stub Copy) Dear user, thank you for using the product of our company. Please read and keep properly the warranty card after purchasing the product so that we can provide better services to you.
