

1 Photo documentation of the EUT

1.1 EUT – various views

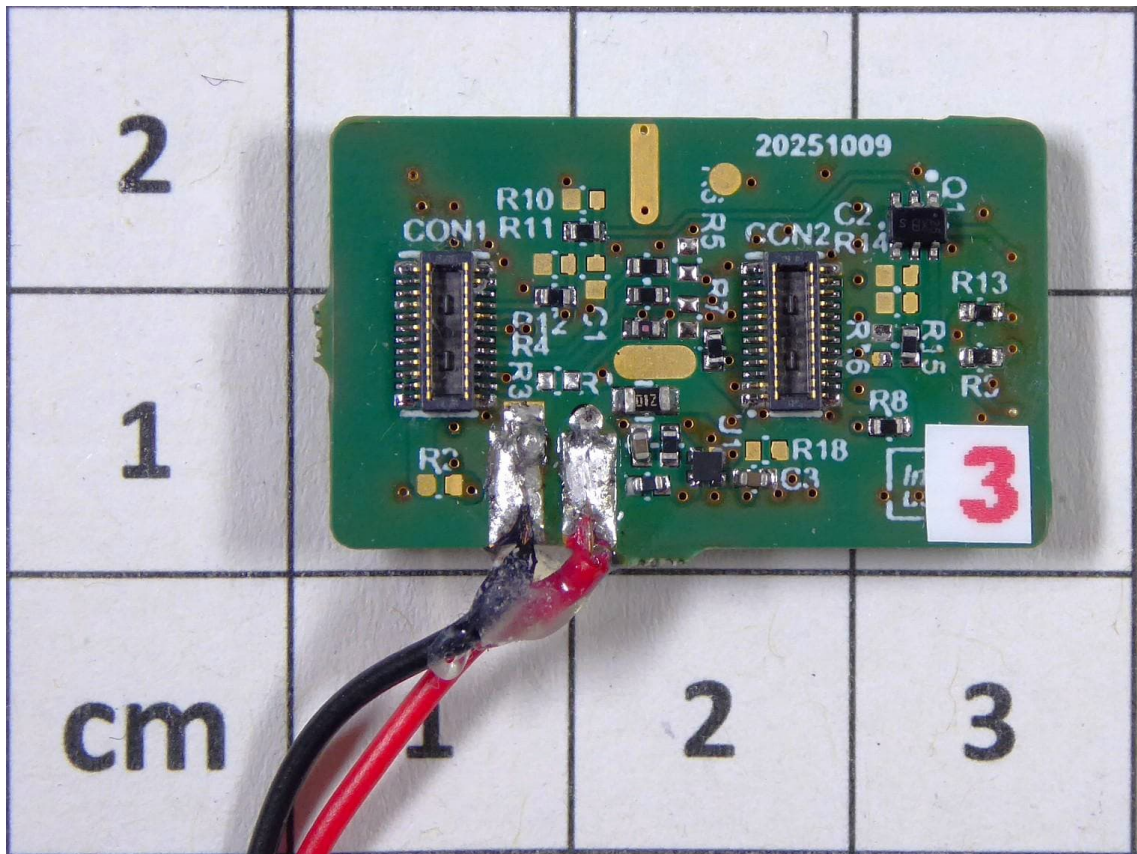

(EUT mounted on test jig with attached power supply cabling)

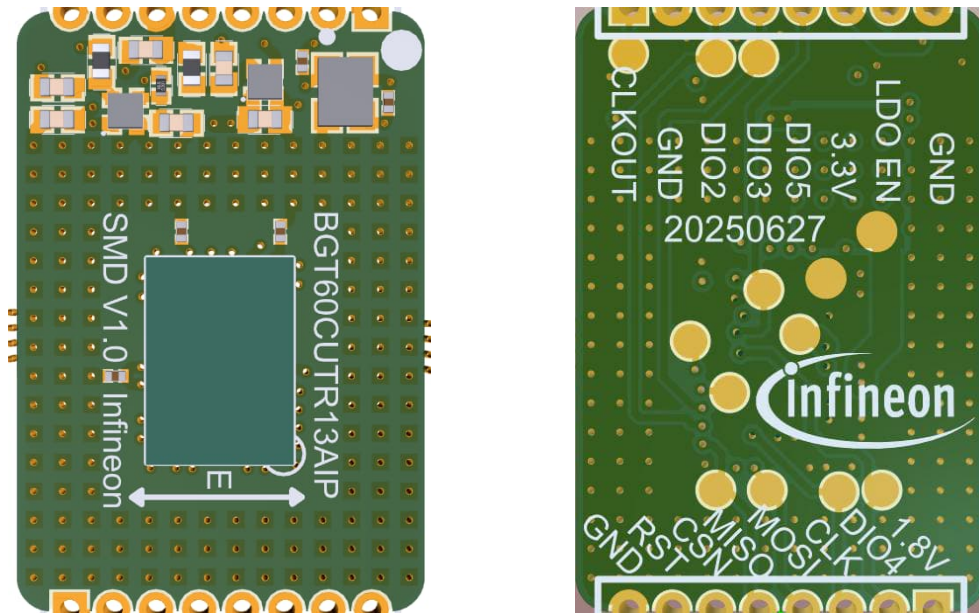

(EUT on test jig – front view)

(EUT on test jig – back view)

(3D pictures of the SRR module (EUT) in final version: front (left) and back (right))

Please note:

On the EUT PCB photos the development version number V2.2b is visible.

Final Version number printed on PCB is V1.0.

Development version V2.2b and final PCB with number V1.0 are 100% identical.

1.2 Ancillary equipment

Battery pack:
