| <p><b>EUT View 1</b></p> |  A black rectangular device with a circular logo on its front face is shown next to a power cable and a power adapter. A ruler is placed horizontally below the device for scale. The device is approximately 100mm wide and 60mm high. The power cable is black and coiled, and the power adapter is a small black rectangular unit. |
| <p><b>EUT View 2</b></p> |  A black rectangular device with a circular logo on its front face is shown next to a ruler. The device is approximately 100mm wide and 60mm high. The ruler is placed horizontally below the device for scale.                                                                                                                      |
