Ciesz się funkcjonalnością naszych produktów

*Obrazy i schematy przywołane w niniejszej instrukcji służą wyłącznie celom ilustracyjnym; ich rzeczywisty wygląd może się różnić.

Podstawowe parametry produktu

Nazwa produktu	Masażer do oczu	Model	E3 Pro
Znamionowa moc wejściowa	10W	Znamionowe napięcie ładowania	5V ⎓
Pojemność baterii	1500mAh/5.55Wh		

Instrukcja obsługi

*Przed użyciem tego produktu należy najpierw wyregulować pasek do odpowiedniej długości, a następnie założyć go na okolice oczu i dostosować pozycję i napięcie stosownie do potrzeb.

Kroki operacyjne:

1) Naciśnij i przytrzymaj przycisk zasilania przez 1,5 sekundy, aby włączyć/wyłączyć urządzenie. Naciśnij krótko, aby przełączać między czterema trybami pracy: Tryb witalności, tryb uspokajający, tryb snu i tryb ćwiczeń dla oczu. Domyślnym trybem jest tryb energetyczny. Tryb uśpienia nie oferuje muzyki w tle. Naciśnij dwukrotnie przycisk zasilania, aby wyłączyć muzykę i naciśnij go ponownie, aby ją włączyć.
2) W przypadku urządzeń Bluetooth, które nigdy wcześniej nie były połączone z produktem, wymagane jest ręczne parowanie i łączenie. Nazwa Bluetooth produktu to E3-2. Urządzenia, które były wcześniej łączone, automatycznie połączą się ponownie z Bluetooth po włączeniu produktu. Po pomyślnym nawiązaniu połączenia wydany zostanie komunikat głosowy „Bluetooth połączony".
3) Gdy poziom naładowania baterii produktu jest niski, pojawi się komunikat głosowy „Niski poziom naładowania baterii", a cztery wskaźniki zaświecą się na czerwono. Produkt wyłączy się automatycznie, po ostrzeżeniu głosowym „Bateria wyczerpana, wyłączanie", jeśli będzie dalej używany.
4) Ikona ładowania produktu pozostanie czerwona podczas ładowania i zmieni kolor na zielony po pełnym naładowaniu.
5) Produkt wyłączy się automatycznie podczas ładowania, jeśli jest włączony i nie można go włączyć podczas ładowania.

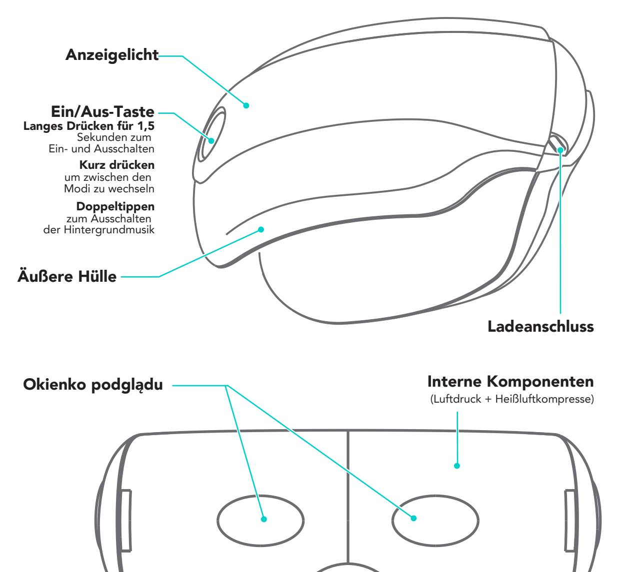

Ikonka muzyki **Ikonka ładowania**
Ikonka ciśnienia powietrza **Ikonka gorącej kompresji**

Tryb pracy

Tryb witalności: Ciśnienie powietrza 1 + gorący kompres + muzyka „Leśne uzdrowienie"
Tryb uspokajający: Ciśnienie powietrza 2 + gorący kompres + muzyka „Górskie źródło"
Tryb snu: Ciśnienie powietrza 3 + gorący kompres
Tryb ćwiczeń do pielęgnacji oczu: Ciśnienie powietrza 4 + gorący kompres + muzyka „Eteryczna sfera wody"

Grundlegende Produktparameter

Produktname	Augen-Massagegerät	Modell	E3 Pro
Nenn-Eingangsleistung	10W	Nenn-Ladespannung	5V ⎓
Batteriekapazität	1500mAh/5.55Wh		

Bedienungsanleitung

*Bevor Sie dieses Produkt verwenden, stellen Sie bitte zuerst das Band auf eine geeignete Länge ein, tragen Sie es dann auf der Augenpartie und passen Sie die Position und die Festigkeit nach Bedarf an, um den Massageeffekt zu erleben.

Schritte zur Bedienung:

1) Drücken Sie die Ein/Aus-Taste 1,5 Sekunden lang, um das Gerät ein- und auszuschalten. Drücken Sie die Taste kurz, um zwischen den vier Betriebsmodi zu wechseln: Vitalitätsmodus, Beruhigungsmodus, Schlafmodus und Augenp-flege-Übungsmodus. Der Standardmodus ist der Energiemodus. Im Schlafmodus ist keine Hintergrundmusik zu hören. Tippen Sie zweimal auf die Ein/Aus-Taste, um die Musik auszuschalten, und tippen Sie erneut auf die Taste, um die Musik wieder einzuschalten.
2) Bei Bluetooth-Geräten, die noch nie mit dem Produkt verbunden waren, ist zum ersten Mal eine manuelle Kopplung und Verbindung erforderlich. Der Bluetooth-Name des Produkts lautet E3-2. Geräte, die zuvor verbunden waren, werden automatisch wieder mit dem Bluetooth verbunden, wenn das Gerät eingeschaltet wird. Nach erfolgreicher Verbindung ertönt die Sprachansage "Bluetooth verbunden".
3) Wenn der Akkustand des Geräts niedrig ist, ertönt die Sprachansage "Akku leer, bitte aufladen", und die vier Anzeigen leuchten rot. Das Gerät schaltet sich automatisch aus, wenn es nach der Sprachansage "Batterie leer, wird ausgeschaltet" weiter benutzt wird.
4) Das Lade-Symbol des Produkts bleibt während des Ladevorgangs rot und wird grün, wenn es vollständig geladen ist.
5) Das Gerät schaltet sich während des Ladevorgangs automatisch aus, wenn es eingeschaltet ist und kann während des Ladevorgangs nicht eingeschaltet werden.

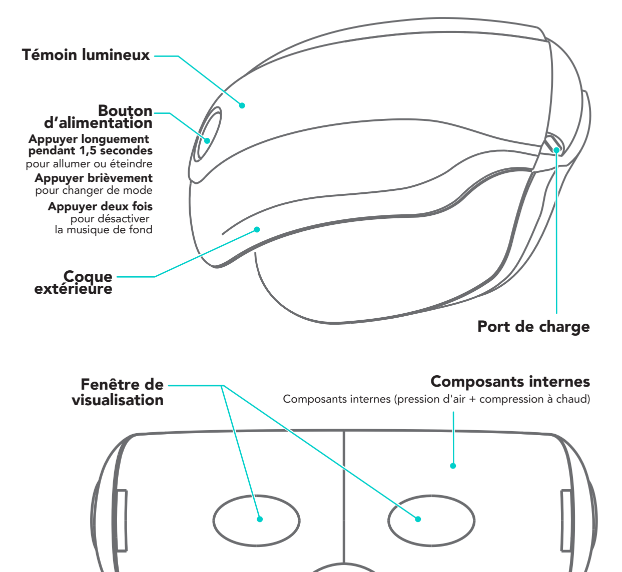

Musik-Symbol **Lade-Symbol**
Luftdruck-Symbol **Symbol für heiße Kompresse**

Arbeits-Modus

Vitalitäts-Modus: Luftdruck 1 + Heiße Kompresse + "Heilung im Wald"-Musik
Beruhigender Modus: Luftdruck 2 + Heiße Kompresse + " Berg-Quelle"-Musik
Schlaf-Modus: Luftdruck 3 + Heiße Kompresse
Augenpflege-Übungsmodus: Luftdruck 4 + Heiße Kompresse + " Ätherisches Wasserreich" Musik

Paramètres de base du produit

Nom du produit	Augen-Massagegerät	Modèle	E3 Pro
Puissance d'entrée nominale	10W	Tension de charge nominale	5V ⎓
Capacité de la batterie	1500mAh/5.55Wh		

Instructions de fonctionnement

*Avant d'utiliser ce produit, veuillez d'abord ajuster la sangle à une longueur appropriée, puis portez-la sur le contour des yeux, et ajustez la position et le serrage selon les besoins pour expérimenter l'effet de massage.

Étapes d'utilisation :

1) Appuyez longuement sur le bouton d'alimentation pendant 1,5 seconde pour allumer/éteindre l'appareil. Appuyez brièvement sur le bouton pour passer d'un mode de fonctionnement à l'autre : Mode vitalité, mode apaisement, mode sommeil et mode exercice pour les yeux. Le mode par défaut est le mode énergie. Le mode Sommeil ne comporte pas de musique de fond. Appuyez deux fois sur le bouton d'alimentation pour désactiver la musique, et appuyez deux fois de nouveau pour la réactiver.
2) Le couplage et la connexion manuels sont nécessaires pour la première fois avec des appareils Bluetooth qui n'ont jamais été connectés au produit. Le nom Bluetooth du produit est E3-2. Les appareils qui ont été connectés auparavant se reconnectent automatiquement au Bluetooth lorsque le produit est allumé. Une annonce vocale "Bluetooth connecté" sera faite après une connexion réussie.
3) Lorsque la batterie du produit est faible, un message vocal indique "Batterie faible, veuillez charger" et les quatre indicateurs s'allument en rouge. Le produit s'éteint automatiquement s'il est encore utilisé après l'avertissement vocal "Batterie épuisée, arrêt".
4) L'icône de charge du produit reste rouge pendant la charge et devient verte lorsque la charge est complète.
5) Le produit s'éteint automatiquement pendant la charge s'il est allumé et ne peut pas être allumé pendant la charge.

Icône de musique **Icône de charge**
Icône de pression d'air **Icône de compression à chaud**

Mode de fonctionnement

Mode vitalité : Pression d'air 1 + compression chaude + musique "Forest Healing".
Mode apaisant : Pression d'air 2 + compression chaude + musique "Mountain Spring".
Mode veille : Pression d'air 3 + compression chaude
Mode exercice pour les yeux : Pression d'air 4 + Hot Compress + Musique "Ethereal Water Realm"

⚠ Tips

- Please use under normal operating conditions: Temperature: 0℃ to 40℃; Relative Humidity: <80% RH, no condensation; Atmospheric Pressure: 50Kpa to 106Kpa.
- Please select normal transport and storage conditions: Environmental Temperature Range: -20℃ to +55℃; Relative Humidity Range: ≤95% RH, no condensation; Atmospheric Pressure: 50Kpa to 106Kpa.
- It is recommended to use the product no more than twice per day for no more than a half-hour at a time, based on the user's specific requirements.

Daily maintenance of the product

- When the surface of the massager is dirty, wipe it with a clean, soft cloth dampened with a little water. Do not wipe with volatile liquids like alcohol. The product cannot be disassembled or washed in water.
- Please cover the product when not in use for an extended period of time to prevent dust accumulation.
- Prevent water or other liquids from entering the machine during cleaning to avoid short circuits during use.

Características básicas del producto

Nombre del producto	Masajeador de ojos	Modelo	E3 Pro
Potencia de entrada nominal	10W	Voltaje de carga nominal	5V ⎓
Capacidad de la batería	1500mAh/5.55Wh		

Instrucciones de uso

*Antes de usar este producto, ajusta la correa a una longitud adecuada, luego colócalo en la zona de los ojos y ajusta la posición y la sujeción según sea necesario para experimentar el efecto de masaje.

Pasos de funcionamiento:

1) Mantén presionado el botón de encendido durante 1.5 segundos para encender/apagar la máquina. Púlsalo brevemente para cambiar entre los cuatro modos de trabajo: Modo energético, modo relajante, modo sueño y modo de ejercicio para el cuidado de los ojos. El modo predeterminado es el modo energético. El modo sueño no tiene música de fondo. Doble toca el botón de encendido para apagar la música y vuelve a tocarlo para encenderla.
2) Es necesario conectar y emparejar manualmente la primera vez con dispositivos Bluetooth que nunca se hayan conectado al producto. El nombre Bluetooth del producto es E3-2. Los dispositivos previamente conectados se volverán a conectar automáticamente al Bluetooth cuando se encienda el producto. Cuando se haya emparejado correctamente el producto alertará con el mensaje "Bluetooth connected".
3) Cuando la batería esté baja, oirá decir "Low Battery. Please Charge" y los cuatro indicadores se iluminarán en rojo. El producto se apagará automáticamente si se utiliza después de la advertencia de batería agotada con la voz "Batería agotada apagando...".
4) El ícono de carga del producto permanecerá en rojo durante la carga y se volverá verde cuando esté completamente cargado.
5) El producto se apagará automáticamente durante la carga y no podrá encenderse mientras se esté cargando.

Modalità di esercizio per la cura degli occhi: Pressione dell'aria 4 + Compressione a caldo + Musica "Ethereal Water Realm"

Product Disposal Precautions

Please support the recycling of rechargeable batteries (lithium-ion batteries)

⚠ Danger	This product's battery is a dedicated rechargeable battery that should not be used in other products. Do not charge the battery once it has been removed. • Do not throw into the fire or expose to excessive heat. • Do not puncture with nails, subject to heavy impact, or disassemble • Do not directly connect the battery's positive and negative terminals with metal • Do not store it with necklaces, hairpins, etc. • Do not charge, use, or store in high-temperature locations such as near a stove or under direct sunlight • All of the abovementioned scenarios can result in overheating, fire, or bursting.
⚠ Warning	Place the removed rechargeable battery out of the reach of infants to prevent accidental ingestion • If swallowed, seek medical attention immediately. • If battery leakage occurs, do not touch the liquid with bare hands. • Follow the safety instructions below: • There is the risk of blindness if battery fluid contacts the eyes. Do not rub the eye with your hands. Rinse with clean water immediately and seek medical attention. If battery liquid gets on the body or clothing, it may cause skin inflammation or injury. Rinse with clean water, and if discomfort persists, seek medical attention mediately. • Disassembly is only permitted when the product is being discarded. Failure to comply may result in fire, electric shock, injury, or other accidents. Please contact the retailer where you purchased the product for repairs (except battery replacement).

The lithium-ion battery used in this product is a valuable recyclable resource. Please remove the lithium-ion battery prior to disposal and hand over it to a professional organization capable of recycling and processing rechargeable batteries.

- The battery must be removed from the device before discarding the appliance.
- The device must be turned off before removing the battery.
- The battery should be disposed of safely.

Removal Steps:

1. Pry open the main unit's inner and outer shells using professional tools.
2. Unscrew the fixed screws of the internal bracket using a screwdriver.
3. Unscrew the screws at the circuit board.
4. Cut the battery leads using scissors.
5. Remove the battery.

Precautions

⚠ Note

- Please read and comply with the guidelines in the "User Manual" before using this product. The company is not responsible for consequences resulting from improper usage or non-compliance with the product instructions.
- Technical specifications are subject to change without notice as we continually improve our products.
- Do not use this product after applying makeup to your face since it will destroy your makeup and may contaminate the skin's surface. If skin contamination occurs, please wipe with clean water.
- Do not use an eye massager while driving.
- Do not use an eye massager in excessively hot or humid areas.
- This product should not be used by individuals with stroke, high or low blood pressure.
- Do not use this product if you have glaucoma, cataracts, retinal detachment, conjunctivitis, or other eye disorders.
- Please avoid using an eye massager after consuming alcohol.
- Patients who have undergone foot surgery or have heart diseases are prohibited from using this product.
- Before using, ensure that there are no contact lenses in the eyes and that any hair clips or jewelry are removed.
- This is a personal care massage product and cannot be used to substitute medications or medical devices.
- Children, pregnant women, and women on their menstrual period are prohibited from using this product.
- Contains lithium battery. Do not place in a high-temperature environment.
- Use this product under the supervision of a doctor if you have sensitive skin, facial allergic dermatitis, or face areas with cosmetic materials.
- This product has a heating function; please be cautious if you insensitive to heat.
- If you feel discomfort during use, please stop immediately.
- This product should not be used to massage parts of the body other than the eyes.
- Do not disassemble this product yourself.
- This product is not waterproof; please do not wash with water or use in high-humidity environments. If the lining becomes dirty, you can gently wipe it with a moist cloth.

This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Any changes or modifications not expressly approved by the party responsible for compliance
could void the user's authority to operate the equipment.
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
