- **Breathable, High-Strength Headband** and **Soft, Comfortable Ear Cushions** for all-day wear

## Product Overview

### Package Included

Charging cable

Luxury bag

Manual

## Basic Operation

### Charging the Headset:

To charge, use the included charging cable to connect the PROHEAR 039 headset to a USB power source (such as a car charger, power bank, or computer USB port).

While charging, the LED indicator at the bottom will glow red. When charging is complete, the red light will turn off.

### Low Battery Warning:

When the battery level drops below 25%, the headset will provide a "Low Battery" voice prompt. Please charge the headset at this time. If not charged, the headset will automatically power off to protect the battery.

### Fitting the Headset:

- Fully extend the headband and place the ear cups over your ears.
- Adjust the headband by sliding it up or down.
- Do: Ensure the ear cushions form a firm seal around the ears.
- Don't: Let hair obstruct the ear cups or break the seal.
- Don't: Allow the ear cups to sit crookedly or unevenly over the ears.

# Bluetooth Operation

## 1. Power On/Off the Headset:

- (1) To power on, press and hold the "  " for 2s. The headset will enter Bluetooth pairing mode, and the voice assistant will announce the status like *"Power on, battery [level], Bluetooth mode"*
- (2) To power off, press and hold the "  " for 2s until you hear a beep, then hold for 1 more second to shut down.

## 2. Bluetooth Pairing:

- Turn on Bluetooth on your device.
- Select **"EM039"** to pair.
- Once connected, you will hear *"Connected"*.
- The headset will automatically reconnect to the last paired device when powered on again. The voice assistant will announce: *"Power on, battery [level], Bluetooth mode, connected"*. (Some devices may require manual reconnection.)

### Re-pair New Devices

- Triple-press the "  " to disconnect the current device and enter the re-pairing mode. If the new device is not paired, triple-press the "  " again to reconnect to the last connected device.

## 3. Listen to Music:

- Open the music app on your device.
- Single-press the power button to play/pause.
- Single-press the  button to skip to the next track.
- Single-press the  button to return to the previous track.

## 4. Take Calls:

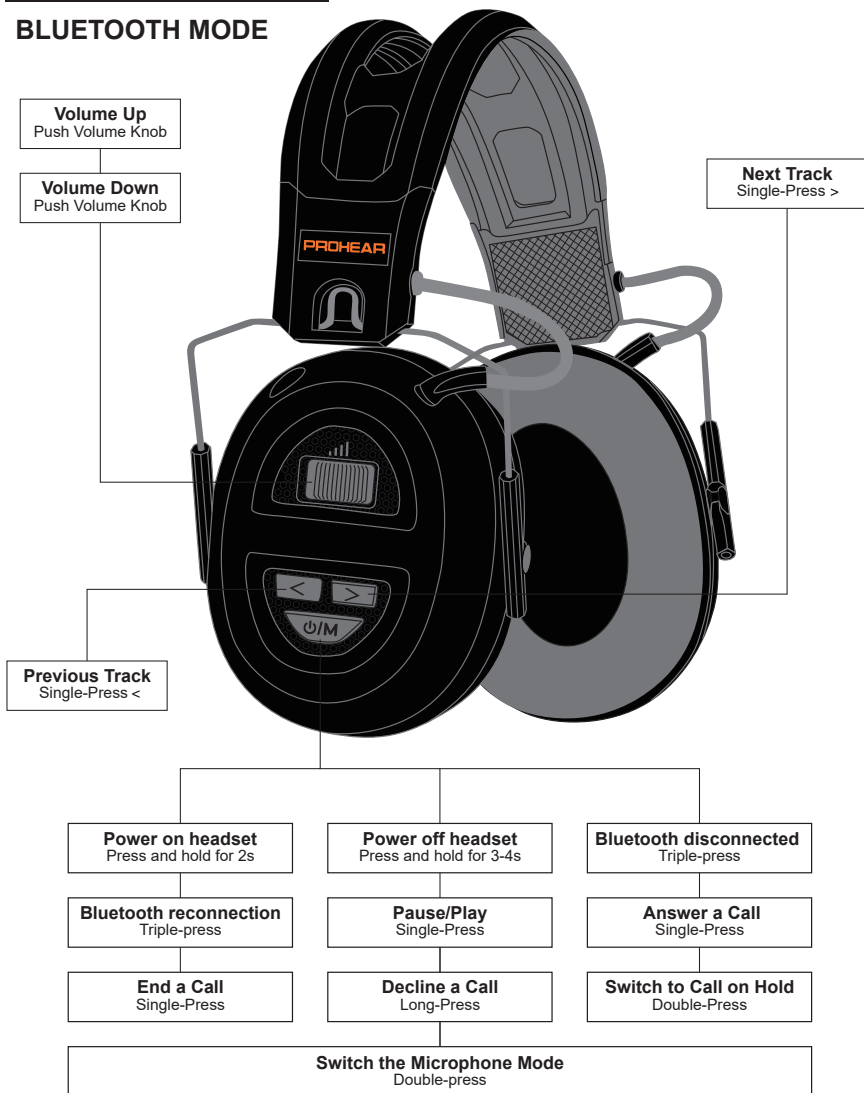

- To answer or end a call → single-press .
- To reject an incoming call → Long-press or Double-press .
- During Bluetooth mode, incoming calls will pause music, and a ringtone will play in the headset (even if the phone is silent).
- During a call, if you want to switch the microphone mode, double-press the "  " to switch *"the Audio or Bluetooth microphone mode"*.
- During a call, if another call comes in:
  - (1) Single press to answer, and the previous call will be placed on hold automatically.
  - Double-press "  " to switch between calls.
  - Single-press to "  " end the current call.
  - (2) Press and hold for 2s "  " to reject the new incoming call.

## 5. Adjust Volume:

- To increase or decrease volume, turn the gear knob.

## PROHEAR EM039 FCC Statement BT Note

FCC:2AYWU-EM039

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
