Denmark

**Hellerup,
Monday, April 28th, 2021**

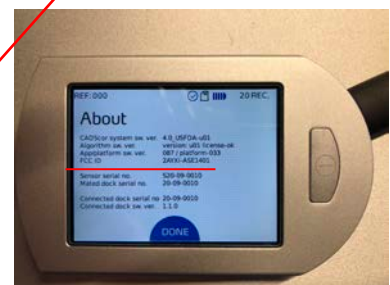

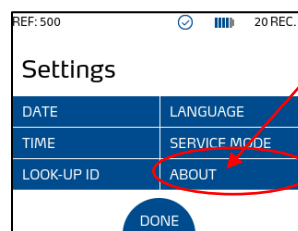

Description of access to FCC ID in CADScor System sw.

Implemented in the CADScor System software is a possibility to view the FCC ID.

The FCC ID can be reached in two different ways;

1) Two click method

By entering the Setting menu (one click "Enter setup" on display); Choose About (one click on "About" on display); View FCC ID

2) Button + One click method

Triple-click on sensor button to go to Settings menu; Choose About (one click on "About" on display); View FCC ID.
