Authority to Act as Agent

To Whom It May Concern:

The Raymond Corporation ("Raymond") appoints TUV Rheinland of North America, Inc. to act as its agent for the sole purpose of the application for equipment certification related to the remote and display portion of the Advance 8510 system. Raymond certifies that submitted documents properly describe the device or system for which equipment certification is sought. Raymond also certifies that each unit manufactured, imported or marketed, as defined in the FCC or Industry Canada's regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, Raymond acknowledges that all responsibility for complying with the terms and conditions for Certification, as specified by TUV Rheinland Group, still resides with The Raymond Corporation.

For TCB applications, Raymond certifies that it is not subject to denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 862. Further, no party, as defined in 47 CFR 1.2002 (b), to the application is subject to denial of federal benefits, that includes FCC benefits.

Thank you,
