

Label Placement Declaration

RE: Certification Application

Model: Icon-LBEE5PL2DL

IC: 27303-ICON

FCC ID: 2AZ35ICON

Since the module is a surface mount device soldered on the host and too small to be labeled with the FCC ID (smaller than 4-6 points), to comply with e-CFR Title 47 Part 2.925(f), we print the model number: Icon-LBEE5PL2DL, FCC ID: 2AZ35ICON, IC: 27303-ICON in the user manual and packaging.
