FAQ

Q1: The product can't pair with my phone.

1. Please turn off the BTof other devices, make sure theearbuds are in pairing mode.
2. Clear the pairing history of the earbuds and your phoneTurn off the BT then turn on, and try again.

Q2: The BT range or the sound quality is not good.

1. BT signal can be blocked by surrounding objects thus affectthe audio quality,if no obstacle between the product and your phone,the range and sound quality wil be better.
2. Keep away from other BT devices,microwaves, wirelessrouters,and other electronics.

Q3: Why there is a delay?

There is a data transmission process from your phone to the product,so sometimes you can feel delay. It's a common issue for all the BT devices, and BT V5.3 already made it better than the old versions.

Q4: Why the case can't charge the earbuds,or the earbuds won't power off after put back in case?

1. If the case has no power, then above issues happen, please charge the case, and it will turn normal after the case has power.
2. Please make sure you didn't put the right & left earbuds in the opposite place,and the magnet contacts well.
3. If the earbuds come with charging insulation sticker on the metal contacts, please make sure you removed them before charge.

Q5: Why people can't hear me in the call?

Please make sure you wear 2 earbuds when making calls, and check if there is any dirt blocked the microphone.

Q6: Only 1 earbud pair with my phone.

1. You need to let the L&R earbuds pair first, and then turn on phone Bluetooth to pair with the earbuds.
2. If theL &R earbuds can't pair with each other, please do the clear pairing history operation, then try again.

Q7: The voice is low.

Please make sure you have tune your phone volume to maxevel, and the earbuds fit well into your ear.

FCC Compliance Statement

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in aresidential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

-Reorient or relocate the receiving antenna.

-Increase the separation between the equipment and receiver.

-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-Consult the dealer or an experienced radio/TV technician for help Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC rules. Operationis subject to the following two conditions:

(1)this device may not cause harmful interference, and (2)this device must accept any interference received, including interferencethat may cause undesired operation.

RF Exposure Warning Statements

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

CORRECT DISPOSAL OF THIS PRODUCT

(Waste Electrical & Electronic Equipment)

This making shown on the product or its literature, indicates that it should not be disposed with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household user should contact either the retailer where they purchased this product or their local government office for details of where and how they can take this item for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.
