

Appendix D: Photo documentation

Photo 1: Measurement System DASY5 SAR

Photo 2: Front view

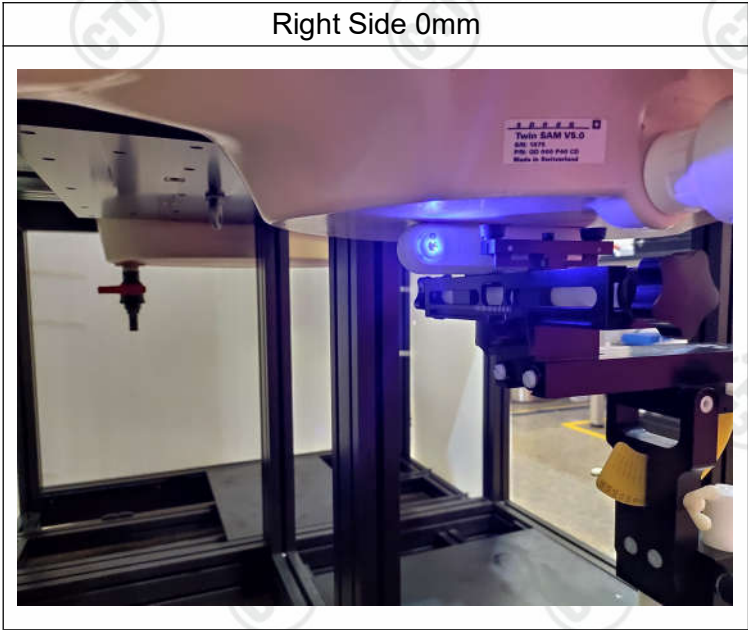

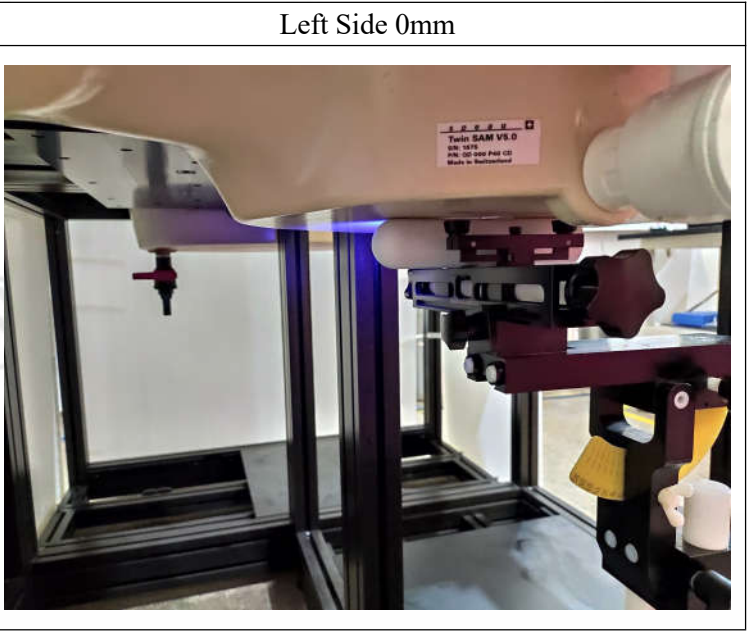

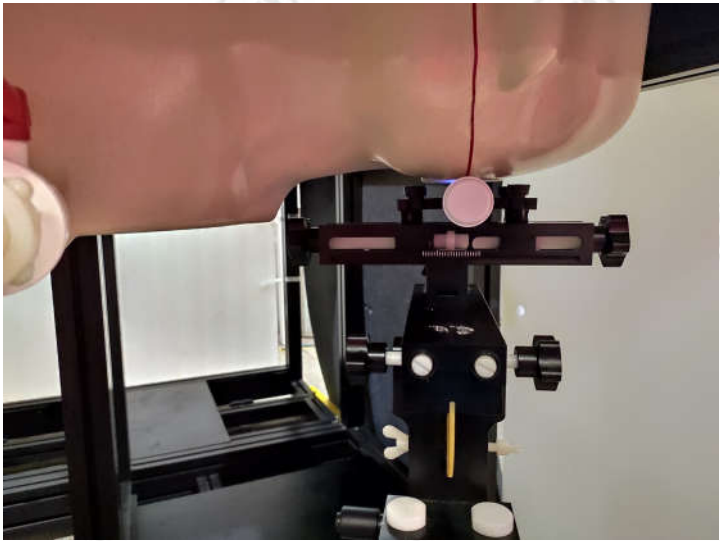

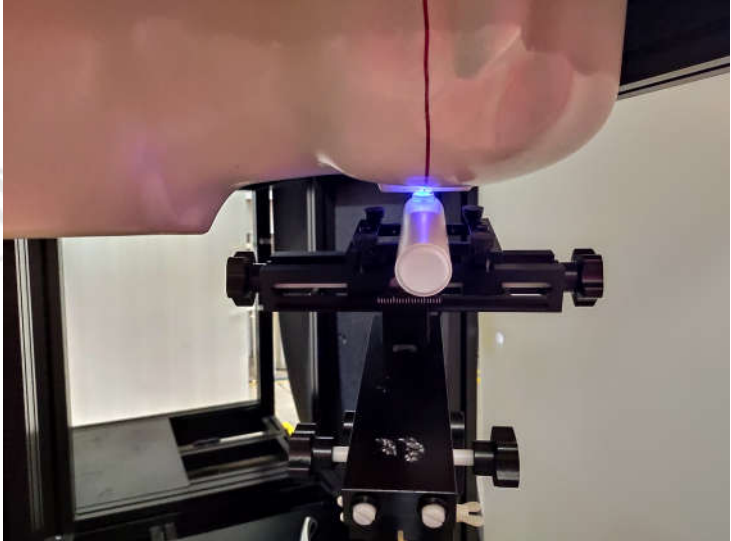

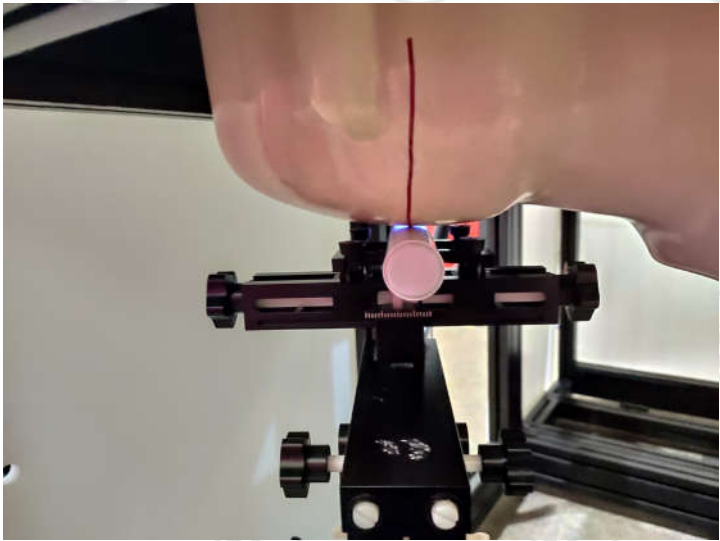

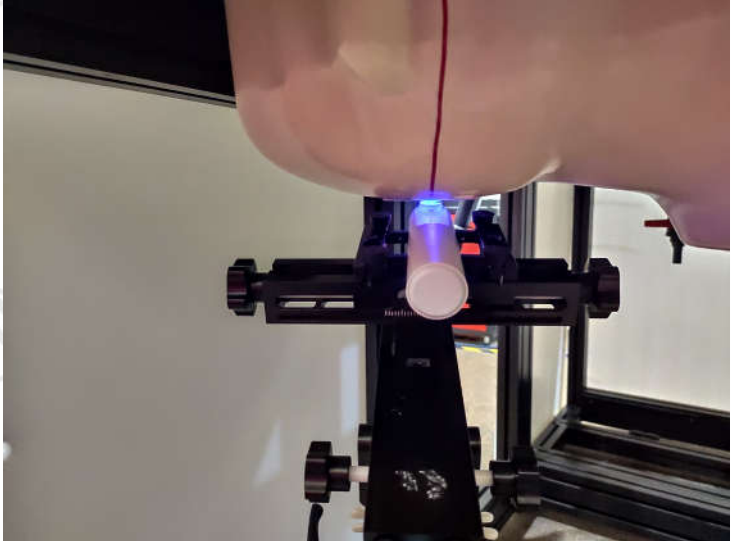

Photo 3: Rear View

Front Side 0mm

Left Hand Touch  A photograph showing a robotic hand with a red string attached to its palm, touching a small pink circular sensor mounted on a black mechanical frame.	Left Hand Tilt 15°  A photograph showing the same robotic hand and sensor setup, but the hand is tilted at an angle, and a blue light is visible at the point of contact with the sensor.
Right Hand Touch  A photograph showing a robotic hand with a red string attached to its palm, touching a small pink circular sensor mounted on a black mechanical frame.	Right Hand Tilt 15°  A photograph showing the same robotic hand and sensor setup, but the hand is tilted at an angle, and a blue light is visible at the point of contact with the sensor.
