

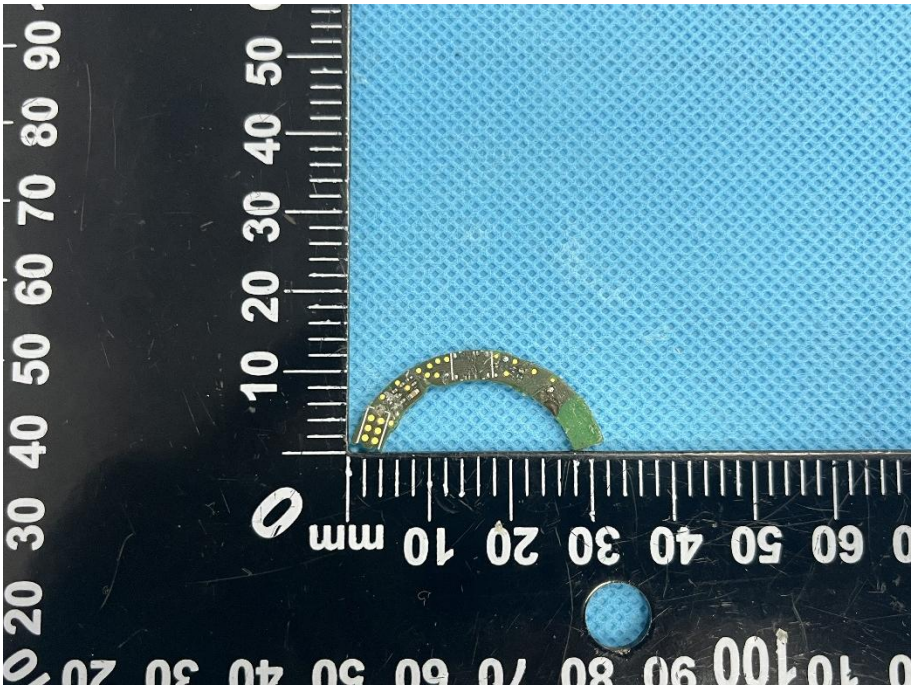

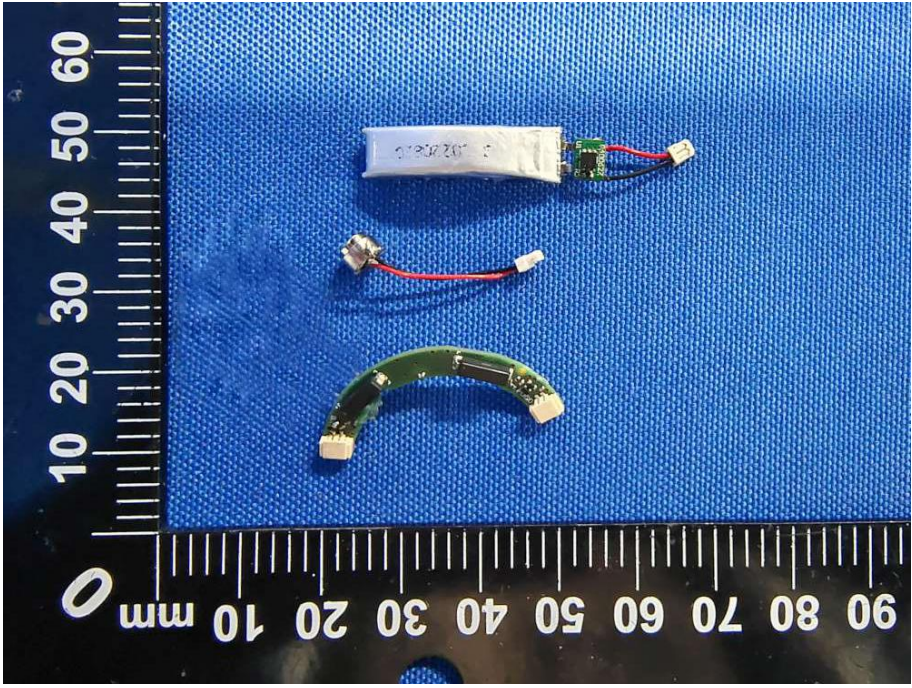

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

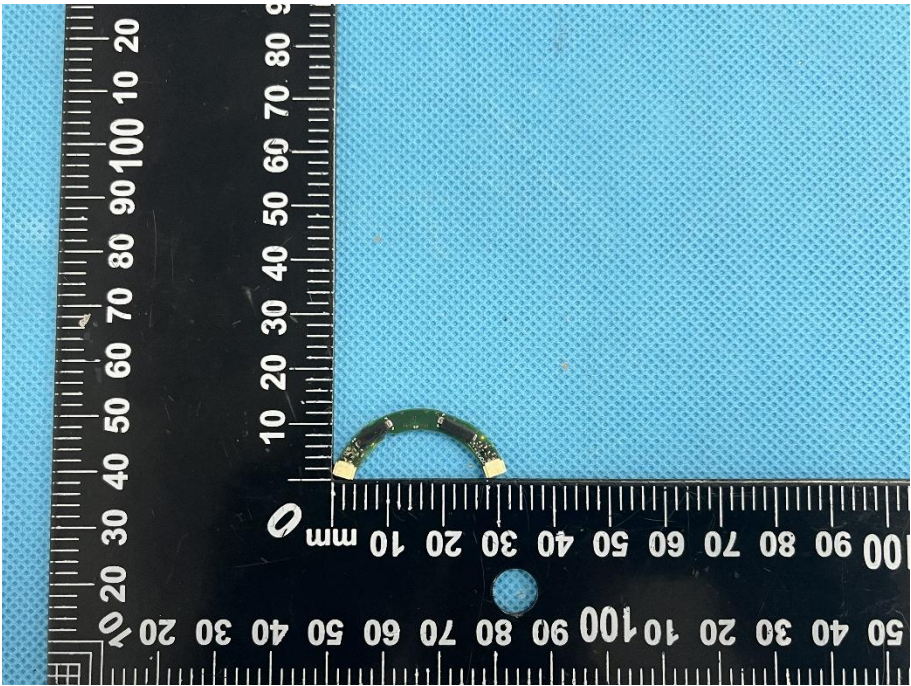

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph showing a curved, semi-circular component with a green PCB and gold-colored solder points. The component is positioned on a blue textured surface. A black ruler with white markings is visible in the background, showing measurements in millimeters (0 to 90 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 3	 A photograph showing three components: a white rectangular component, a small green component with red and white wires, and a curved green component with gold-colored solder points. The components are positioned on a blue textured surface. A black ruler with white markings is visible in the background, showing measurements in millimeters (0 to 90 mm) and centimeters (0 to 10 cm).

Solder Board-Component View 4	 A micrograph showing a small, curved, green soldered component on a blue textured surface. A black millimeter ruler is positioned vertically to the left of the component, with markings from 0 to 100 mm. The component is located approximately between the 30 mm and 40 mm marks on the ruler.
Solder Board-Component View 5	 A micrograph showing a small, curved, green soldered component on a blue textured surface. A black millimeter ruler is positioned vertically to the left of the component, with markings from 0 to 100 mm. The component is located approximately between the 30 mm and 40 mm marks on the ruler.
