

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the EUT housing and board assembly. A black antenna is attached to a green printed circuit board (PCB). The PCB is connected to a black USB-A connector. A black ruler is placed vertically next to the assembly for scale. The background is a blue textured surface.
Solder Board-Component View 1	 A close-up photograph of the solder board component. The green PCB is shown with various electronic components, including a large black integrated circuit (IC) and several smaller components. A black ruler is placed horizontally below the component for scale. The background is a blue textured surface.

Solder Board-Component View 2	 A photograph showing a green printed circuit board (PCB) component with a USB connector, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 10 to 50 mm. The PCB has various components and text printed on it, including 'BL-H88C03 V11', '2038', 'MS-ME198407', and 'MS-ME198407'.
Antenna View	 A photograph showing a black USB antenna cable with a blue USB connector, placed vertically on a blue textured surface. A red box labeled 'WIFI Antenna' is positioned at the top left, with a red line pointing to the antenna cable.
