

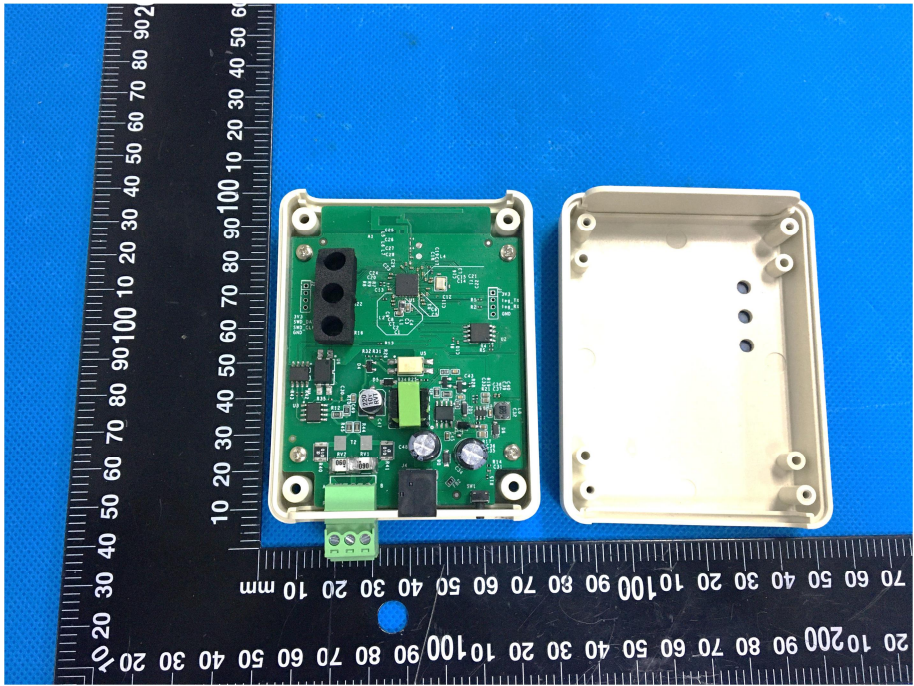

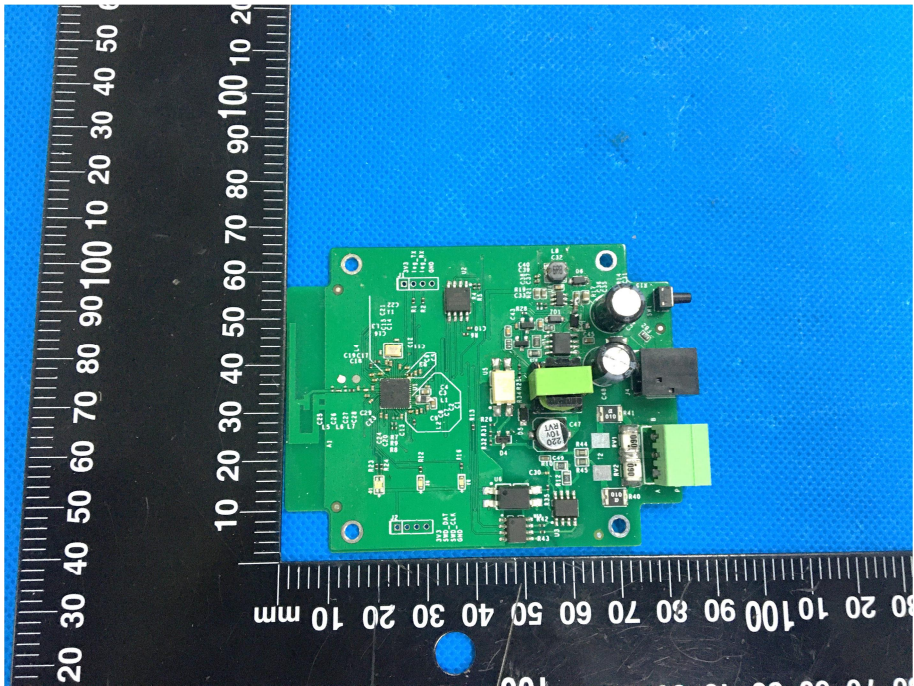

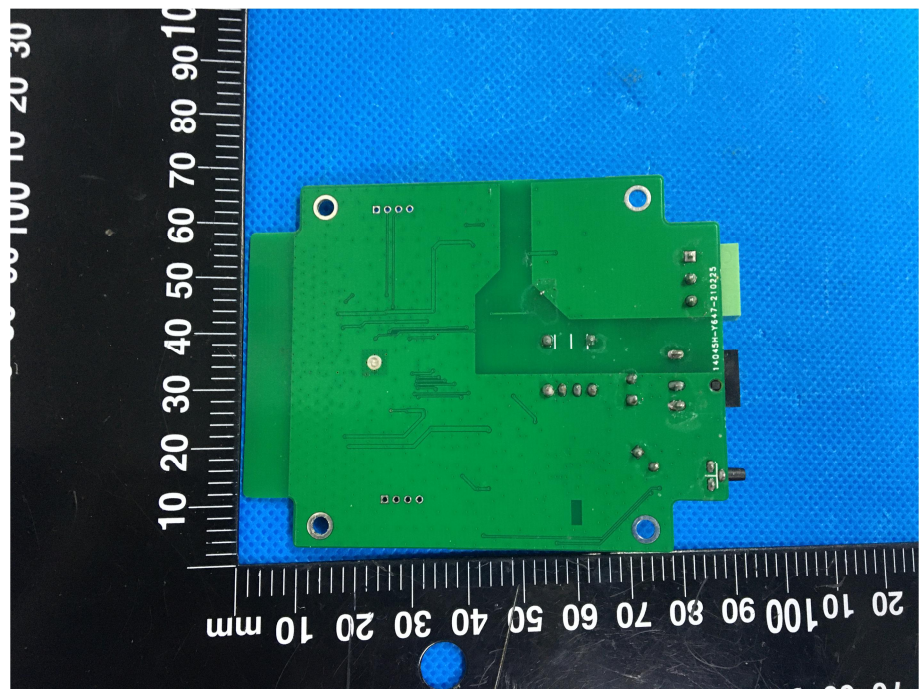

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of the EUT. On the left is a green printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and resistors. To the right of the PCB is a white plastic housing. Both are placed on a blue background with a black ruler for scale. The ruler has markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 1	 A close-up photograph of the green PCB, showing the solder joints and components. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. A green connector is visible on the right side of the board. The board is placed on a blue background with a black ruler for scale. The ruler has markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
