

The diagram shows an exploded view of a square electronic device. The main unit is a square box with a circular display on top. Callout 1 points to the display. Callout 2 points to the top cover. Callout 3 points to the front panel. Callout 4 points to the bottom cover. Callout 5 points to the side panel. Callout 6 points to the rear panel.

- 1x User Manual
- 1x PD 20W Adapter

- Please use QC2.0W or QC3.0 compatible power adapter for fast charging.
- It is normal to get hot while charging, if your phone gets too seriously and stops charging for a long time, please adjust the position of the charger. Please make sure the center of the charger is aligned with the center of the wireless charge charging zone before charging.

- Do not squeeze or collide.
- Do not disassemble or put it into fire or water to avoid short circuit and leakage.
- Do not use the wireless charger in high temperature, high humidity or corrosive environments to avoid circuit damage and current leakage.
- Do not place the wireless charger too close to magnetic cards with magnetic strips or chips (ID cards, bank cards, etc.) to avoid the magnetic cards becoming invalid.
- Please stay away from implanted medical devices (pacemakers, etc.) to avoid magnetic card failure. The distance between the device and the wireless charger should be at least 20 cm to avoid possible interference with medical devices. Wireless charging is not recommended for people who wear medical wireless charger as it may avoid unnecessary accidents.
- The charger and receiver should be kept away from water and other liquids.
- If you need to clean the charger, please disconnect the power supply.
- Please use it at an ambient temperature of 0-45°C.
- This product is not suitable for mobile phones, headsets and watch. It is not a device that supports IP protection.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
