

FCC ID:2AZM9-962BT

Because the customer does not have the drawing of the Label, we can only express it in this way at present and Consent has been sought from the customer.

Model No.: 962BT
Output Power: 10W
Battery: 3.7V 2400MAh(1200*2)
Input: DC 5V/1A
Working Voltage and Ampere: 3.7V-4.2V/900-1600MA
FCC ID: 2AZM9-962BT
Manufacturer: Dongguan Qualitronic Industrial Co., Ltd
Manufactured date: xx.xx.xxxx
Made in China

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
