PRODUCT DETAILS

CHARGING YOUR DEVICE

WITH A CHARGING CABLE

Status	Charging Status Indicator	Battery Level Indicator
Fast Charging	On	Displays current battery level. The fast LED indicator will flash repeatedly.
Normal Charging	Off	
Fully Charged	On	On

CHARGING YOUR DEVICE

IPHONE 12 SERIES OR LATER

SIMULTANEOUS CHARGING

Status	Charging Status Indicator	Battery Level Indicator
Charging and recharging simultaneously	Off	Showing the current battery level The last LED indicator keeps flashing
Fully charged	On	On

RECHARGING YOUR PORTABLE CHARGER

Status	Charging Status Indicator	Battery Level Indicator
Fast charging	On	Showing the current battery level
Normal charging	Off	The led indicator keeps flashing
Fully charged	On	On
Note: When your Portable Charger exceeds the temperature limit, the battery level indicator will turn off. Let Portable Charger cool down before use.		

This wireless charger is not compatible with non-Magsafe phone cases. Do not use an adapter with an output of 5V/1A(5W) or less. High temperatures will reduce charging speed and restrict power. It is recommended to charge your device in environments with temperatures below 0~40°C / 30~100°F. Both the protective phone case and the position of your device on the wireless charger will affect the charging speed. The farther it is placed from the center of the wireless charger, the slower the charging speed will be.

PRODUCT SPECIFICATIONS

Model: RAPBAN100
Battery type: Li-polymer battery Capacity: 5000mAh(3.85V/19.25Wh)
Conversion Rate: 60% (5V2A)
Input: 5V-3A, 9V-2.22A, 12V-1.67A
Output: 5V-3A, 9V-2.22A, 12V-1.67A
Wireless charging: 7.5W for IOS, 15W for Android
Size: 105*66*8.6mm Weight: 117g
Storage temperature: -10~40°C
Working environment temperature: 0~40°C

SAFETY INSTRUCTIONS

- ENGLISH:

- Store the product in a cool, dry place. Do not store the product in a hot or humid environment.
- Use of a power supply or charger is not recommended and may result in a risk of injury to persons.
- Operating temperature should be between 0°C and 40°C / 30-100°F.
- Do not disassemble the product. See a qualified service person when service or repair is required. Incorrect reassembly may result in a risk of fire or injury to persons.
- Charge and discharge the product once every three months if the product is not used for long periods of time.
- When charging the product, it may feel warm. This is a normal operating condition and should not be cause for concern.
- In normal conditions, the battery performance will decline over several years.
- Do not dispose of the product in heat or fire.
- Do not clean the product with harmful chemicals or detergents.
- Misuse, dropping, or excessive force may cause product damage.
- When disposing of secondary cells or batteries, keep cells or batteries of different electrochemical systems separate from each other.
- A discharged battery may cause smoke or fire. Tape the terminals to insulate them.

- FRENCH:

- Conservez le produit dans un endroit frais et sec. Ne stockez pas le produit dans un environnement chaud ou humide.
- L'utilisation d'une alimentation ou d'un chargeur n'est pas recommandée et peut entraîner un risque de blessures corporelles.

SAFETY INSTRUCTIONS

- La température de fonctionnement doit être comprise entre 0°C et 40°C / 30-100°F.
- Ne démontez pas le produit. Consultez un technicien de service qualifié lorsqu'un entretien ou une réparation est nécessaire. Un remontage incorrect peut entraîner un risque d'incendie ou de blessures corporelles.
- Chargez et déchargez le produit une fois tous les trois mois si le produit n'est pas utilisé pendant de longues périodes.
- Lors du chargement du produit, il peut être chaud. Il s'agit d'une condition de fonctionnement normale et ne devrait pas susciter d'inquiétude.
- Dans des conditions normales, les performances de la batterie diminueront sur plusieurs années.
- Ne jetez pas le produit à la chaleur ou au feu.
- Ne nettoyez pas le produit avec des produits chimiques ou des détergents nocifs.
- Une mauvaise utilisation, une chute ou une force excessive peut endommager le produit.
- Lors de l'élimination des piles ou batteries secondaires, garder les piles ou batteries de différents systèmes électrochimiques séparées les uns des autres.
- Une batterie déchargée peut provoquer de la fumée ou un incendie. Collez les bornes pour les isoler.

- ESPAÑOL:

- Conservar el producto en un lugar fresco y seco. No almacene el producto en un ambiente cálido o húmedo.
- No se recomienda el uso de una fuente de alimentación o un cargador, ya que puede provocar riesgos de lesiones a las personas.

SAFETY INSTRUCTIONS

- La temperatura de funcionamiento debe estar entre 0°C y 40°C / 30-100°F.
- No desmonte el producto. Consulte a una persona de servicio calificada cuando requiera servicio o reparación. Un reensamblaje incorrecto puede provocar riesgo de incendio o lesiones a las personas.
- Cargue y descargue el producto una vez cada tres meses si no se utiliza durante largos periodos de tiempo.
- Al cargar el producto, es posible que se sienta caliente. Esta es una condición de funcionamiento normal y no debería ser motivo de preocupación.
- En condiciones normales, el rendimiento de la batería disminuirá con el paso de los años.
- No desechar el producto al calor o al fuego.
- No limpie el producto con productos químicos o detergentes nocivos.
- El mal uso, las caídas o la fuerza excesiva pueden causar daños al producto.
- Al desechar pilas o baterías secundarias, mantenga separadas entre sí las pilas o baterías de diferentes sistemas electroquímicos.
- Una batería descargada puede provocar humo o incendio. Pega los terminales con cinta adhesiva para aislarlos.

WARRANTY

- ENGLISH:

Users can enjoy free warranty service within 12 months of the original date of purchase.

Warranty does not apply to the following cases:

Damages caused by human factors, misuse of the product, unauthorized alterations to the product, etc. ~~All~~ All damages caused by poor transportation or other factors such as floods, fires, lightning, earthquakes, etc.

The company reserves the right, at its discretion, to change, modify, add or remove portions of these terms at any time.

- FRENCH:

Les utilisateurs peuvent bénéficier d'un service de garantie gratuit dans les 12 mois suivant la date d'achat initiale.

La garantie ne s'applique pas dans les cas suivants :

Dommages causés par des facteurs humains, mauvaise utilisation du produit, modifications non autorisées du produit, etc. Tous dommages causés par un mauvais transport ou d'autres facteurs tels que des inondations, des incendies, la foudre, des tremblements de terre, etc.

La société se réserve le droit, à sa discrétion, de changer, modifier, ajouter ou supprimer des parties de ces conditions à tout moment.

WARRANTY

- ESPAÑOL:

Los usuarios pueden disfrutar del servicio de garantía gratuito dentro de los 12 meses posteriores a la fecha de compra original.

La garantía no aplica en los siguientes casos:

Daños causados por factores humanos, mal uso del producto, alteraciones no autorizadas del producto, etc. Todos los daños causados por un mal transporte u otros factores como inundaciones, incendios, rayos, terremotos, etc.

La empresa se reserva el derecho, a su discreción, de cambiar, modificar, agregar o eliminar partes de estos términos en cualquier momento.

FCC Warning

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

FCC Warning

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

IC Caution

Radio Standards Specification RSS–Gen, issue 5

– English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.

This device must accept any interference, including interference that may cause undesired operation of the device.

RF exposure statement:

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

IC Caution

– French:

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:

Cet appareil ne doit pas causer d'interférences.

Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

Déclaration d'exposition RF:

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. L'appareil peut être utilisé dans des conditions d'exposition portable sans restriction.
