## SALES PROMOTIONS

Place informative cards displaying your sales promotion on the counter or hanging from above. Use them when operating or calling for your next order. They can be used to promote new products, new pricing, and adding on accessories and meal plans. To make the most of your possible promotional space, use the following tips:

- Limiting to make it a personal value and the easiest.
- Using your hearing and vision and the sound.
- Do not leave things hanging around, such as a hot food item, or a drink, with light.
- Do not use the product for more than 10 minutes or 1 hour. Products for extended periods of time, follow FPD's retailing guidelines.
- Do not show products as if they are about to expire.
- Do not use a single or small amount to give to the customer.
- Do not modify, repeat, or diminish the product to your own.
- Do not use the product as if it can or will be used to your own.
- Do not use the product in hazardous locations.

## ORDER PROMPT

Place menu boards and instructions on how to get warranty service and return information on how to get it.
