FEATURES AT A GLANCE

CRYSTAL CLEAR CALLS
When you speak, they'll listen. Make your ideas and intentions known with clear sounding audio for calls and more.

MULTI LINK MODE
Link multiple speakers together to fill everything from your office to your entire home with amazing sound.

THREE SOUND PROFILES
The Everyday Speaker has three sound profiles that let you control the sound you hear based on the vibe you're trying to create.

IPX7 DUST & WATERPROOF
Water and dust are no match for this tough-as-nails speaker.

11 HOURS OF PLAYTIME
A long lasting battery gives you 11 hours of pure sonic excitement.

COMPACT & LIGHTWEIGHT
Bring this small and mighty speaker with you wherever you go. It's streamlined design fits in your backpacks, handbags and duffels making it powerful and portable.

CHARGING YOUR DEVICE

1. Connect the speaker to a standard 5V/1-2A charger, PC, or power bank to charge.

2. When charging, an LED indicator will blink red. When fully charged, the LED indicator will turn off.

QUICK START GUIDE

1. Hold " " for about 4 seconds to power on. Speaker will enter pairing mode automatically.

2. From the source device, go to Bluetooth settings and ensure Bluetooth is on. Search for "The Everyday Speaker" and select it to pair.

3. Enjoy your Raycon Everyday Speaker!

SOUND PROFILES

SOUND PROFILES

Your sound, your way. Our sound profiles are designed by artists and producers at the top of the industry. Press " " to toggle between sound profiles.

BALANCED SOUND

A leveled sound that is great for all around performance and clarity.

BASS SOUND

Our bass boosted sound, great for songs with strong beats and a go-to for bass lovers.

PURE SOUND

Our most refined sound, perfect to hear every single note.

MULTI-LINK MODE

Pair two Everyday Speakers together with Multi-link Mode.

1. Power on both speakers, and ensure that they are not connected to any bluetooth device.

2. On one speaker, press " " to begin pairing. A voice prompt will be audible once speakers are successfully paired.

BLUETOOTH

3. From the source device, go to Bluetooth settings and ensure Bluetooth is on. Search for "The Everyday Speaker" and select it to pair.

4. Enjoy your Everyday Speakers with Multi-link Mode! To unpair speakers, hold " " for about 3 seconds.

TROUBLESHOOTING

1. The speaker does not turn on.

Ensure the speaker is fully charged. If the speaker does not turn on even after charging, contact customer service at: rayconglobal.com/support.

2. The speaker does not charge.

Ensure that USB charging cable is properly connected to the speaker and the power source.

3. The speaker does not pair.

Ensure that Bluetooth device is compatible and powered on, and that bluetooth is enabled.

4. Music will not play through the speaker.

A) Ensure that the speaker and Bluetooth device are powered on, and that the volume is not set to minimum level.

B) Test the playback of the track on your Bluetooth Device.

5. Sound lag / distortion / noise.

A) Check if there is a 2.4 GHz device near the speaker or Bluetooth Device.

B) Ensure that your Bluetooth device is within 30' of the speaker.

6. Caller cannot be heard.

Ensure that your Bluetooth device is compatible, that Bluetooth is enabled, and that the device is connected to the speaker. On your bluetooth device, ensure that the speaker is selected for call audio.

SAFETY GUIDELINES

• Be wary of any edges, uneven surfaces, and metal parts, including on accessories and product packaging, to prevent any possible injury or damage.

• Listen to music at a proper volume to avoid damaging your hearing and speaker.

• Do not store in high temperatures, such as in a hot vehicle or in direct sunlight.

• Store in cool and dry area.

• Do not drop or cause undue impact to the speaker.

• Do not modify, repair, or dismantle the product on your own.

• Do not expose speaker and any of its supplied parts to liquid such as rain for prolonged periods of time. Please see IPX-Rating for more guidelines.

• Do not expose the speaker to water while charging, as doing so may result in damage to the speaker or the power source.

• When cleaning this speaker, use a soft dry cloth. For more severe stains, dampen the cloth with water only. Anything else increases the chance of dissolving the paint or damaging the plastic.

Weight: about 200g
Product size: 97.8(L) x 47.4(W) x 81.5 (H) mm
Bluetooth Operating Range: ≤10m

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure statement. The device can be used in portable exposure condition without restriction.

IC Caution:

Radio Standards Specification RSS-Gen, Issue 5

- English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
This device may not cause interference.
This device must accept any interference, including interference that may cause undesired operation of the device.

- French:

Cet appareil contient des émetteurs / récepteurs exempts de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:
Cet appareil ne doit pas causer d'interférences.
Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.
