

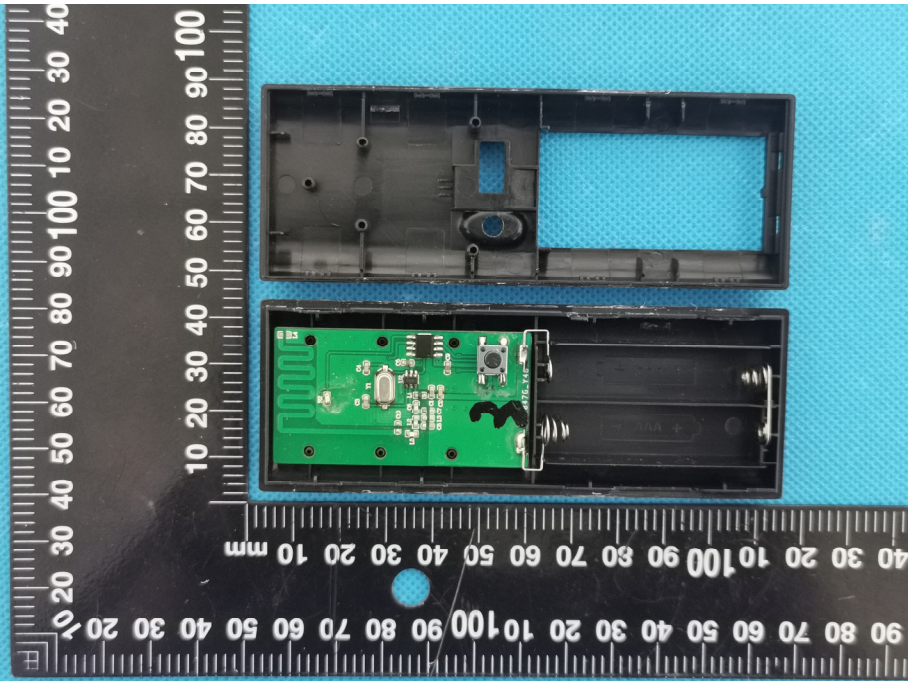

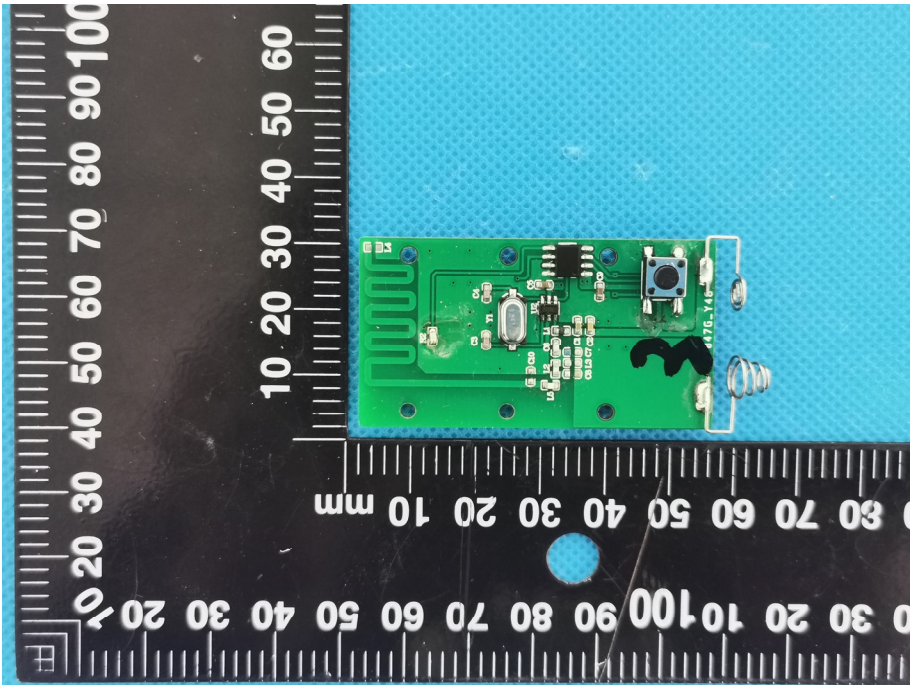

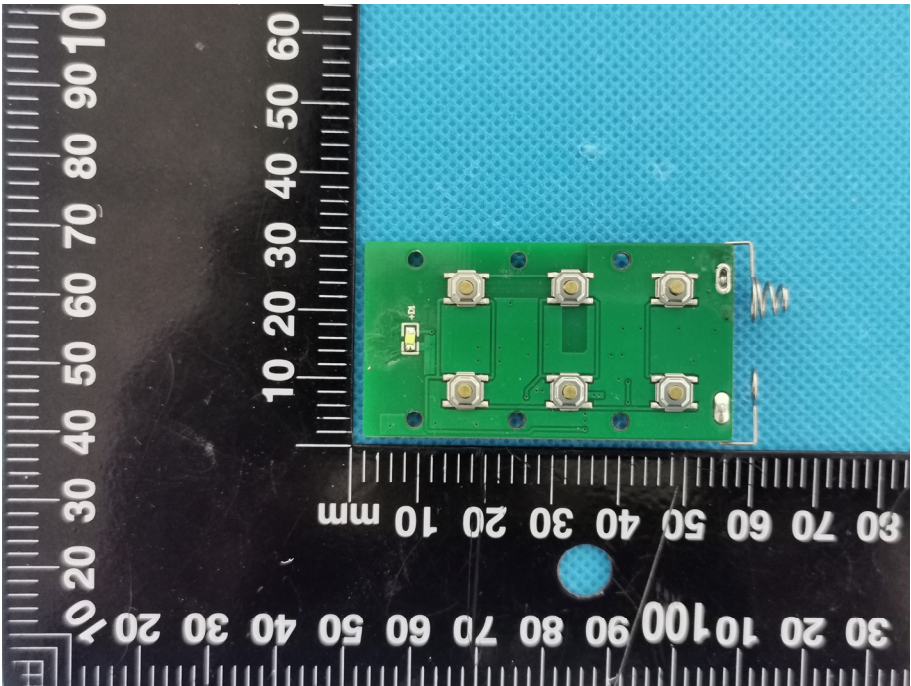

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	
EUT Housing and Board View 2	

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) with various electronic components. The components include a small black integrated circuit (IC), several resistors, and a blue electrolytic capacitor. The board is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters. The ruler has markings from 0 to 100 mm on the left side and 0 to 60 mm on the right side.
Solder Board-Component View 2	 A photograph of the same green PCB from a different angle. This view shows the underside of the board, which has several silver-colored solder joints and components. The board is placed on the same blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters. The ruler has markings from 0 to 100 mm on the left side and 0 to 60 mm on the right side.
