

Antenna Specification

Main model	Series model
AL-439-00-902 white	AL-439-00-902 black

Item	Result
Antenna type and sort	Integrated PCB antenna
Antenna frequency	902.875MHz
Antenna gain and directional characteristics	-1.0 dBi, see below
Antenna polarization properties	N/A
Connect type with Receiving unit	Integrated PCB antenna
Antenna manufacturer and model name	DEUTA Controls GmbH Antenna model name: ANT_PCB_436_01
The name of lab that had evaluated antenna gain	DEUTA Controls GmbH Paffrather Straße 140 51465 Bergisch Gladbach Germany
