Solder Board-Component View 4	 A photograph showing a small green printed circuit board (PCB) component mounted on a blue textured surface. The component is rectangular with several gold-colored pins or solder points. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters (mm). The ruler markings range from 0 to 100 mm, with major ticks every 10 mm and minor ticks every 1 mm. The component is positioned between the 10 mm and 20 mm marks.
Solder Board-Component View 5	 A photograph showing the same small green PCB component from a different angle or view. The component is mounted on the same blue textured surface. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters (mm). The ruler markings range from 0 to 100 mm, with major ticks every 10 mm and minor ticks every 1 mm. The component is positioned between the 10 mm and 20 mm marks.
