

## Antenna Specification

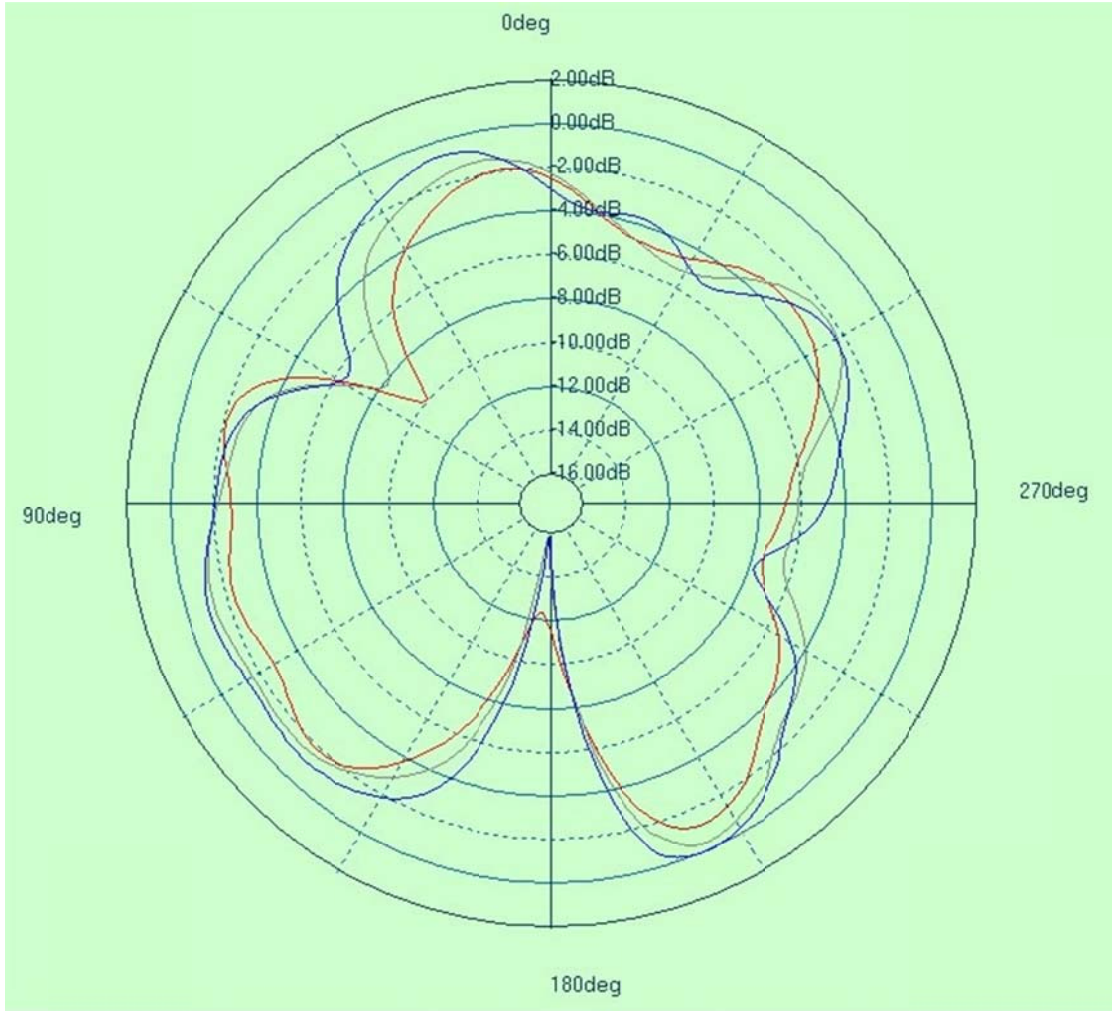

|              |                                                                                                                                                                                             |          |         |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|---------|
| Model Name   | 2.4G FHSS ANT                                                                                                                                                                               |          |         |
| Frequency    | 2400MHz                                                                                                                                                                                     | 2450MHz  | 2500MHz |
| Gain (dBi)   | -1.02dBi                                                                                                                                                                                    | -0.45dBi | 0 dBi   |
| MAX. Gain    | 0 dBi                                                                                                                                                                                       |          |         |
| Impedance    | 50 Ω                                                                                                                                                                                        |          |         |
|              |                                                                                                                                                                                             |          |         |
| Manufacturer | Shenzhen Tengxiang Technology Co., Ltd.<br>Room 302, 702-1, Building 1, Juyin Technology Industrial Park, No. 1 Ganli Road,<br>GanKeng Community, Jihua Street, Longgang District, Shenzhen |          |         |
