Request for Class II Permissive Change

The following attestation addresses the requirements to support modular approval:

- This device will be changed from mobile to portable operation.
- There will be no changes to the modular device.
- The device will be used in a way that is electrically identical to the original.
- The product has an FCC ID label on the device itself. Also, the OEM host end-product manufacturer will display a label referring to the enclosed module. The exterior label will read as follows: "Contains Transmitter Module FCC ID: 2BA9A11679" or "Contains FCC ID: 2BA9A11679".
- We request to include in the grant the following words in the device description or grant notes: "modular transmitter" or "transmitter module".

If there are any additional questions or if further information is needed, please contact us.

Sincerely,
