

Label and Location

This device is small with no enough space to label the FCC ID and ISED Certification,
The FCC ID and ISED Certification number are in the user manual as below.

Label information in user manual.

Product Information

Product Specifications

Model number: GR8V23

Electrical rating: 1.7V to 3.6V

Operating temperature: 0°C to 70°C

Connectivity: 60 GHz radar transceiver with integrated antennas (max. 3dBi antenna gain)

FCC ID: 2BA9D-2823

IC ID: 30616-2823
