Declare under our sole responsibility that the product

FCC ID:2BAAR-AE261

Product: Projector

Model Number: AE261HB, AE261HG, AE262HB, AE262HG, AE261FB, AE261FG, AE262FB, AE262FG, AA261HG, AA262HB, AA262HG, AA261FB, AA261FG, AA262FB, AA262FG, AE261HX, AE262HX, AE261HY, AE262HY

Except for the model number and appearance, all models use the same circuitry and modules.

All covered projector models share identical PCB layouts, circuitry, component BOM, RF modules, antennas and firmware.

Differences are purely cosmetic only:

- 1.Enclosure styles: full-white shell and black-white spliced shell;
- 2.Different silk-screen logos on upper casing;
- 3.Distinct model labels for sales classification.

No electrical or RF-related discrepancies exist; test data of the representative model applies to all variants.
